

GUIDESTAR® Products Overview

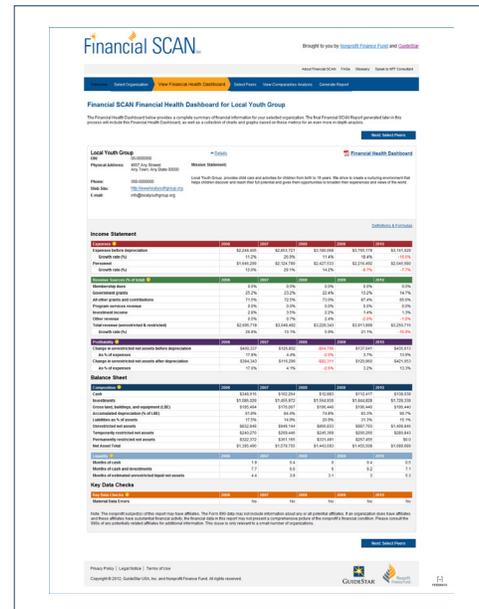

Here at GuideStar we connect people and organizations with information on the programs and finances of more than 1.8 million IRS-recognized nonprofits. We provide professionals like you with the tools you need to make more informed decisions for your work within the nonprofit sector.

GUIDESTAR® Premium

Achieve targeted results with this sophisticated research and analysis tool for professionals. GuideStar Premium Subscriptions provide the best, most comprehensive nonprofit information and the tools to analyze longer-term financial data and trend information. GuideStar Premium Pay As You Go allows you to purchase a single in-depth report for a specific nonprofit.

Financial SCANSM

Assess a nonprofit's financial health using Financial SCAN (Situation and Comparables ANalysis), the new standard for nonprofit financial analysis and communication. Financial SCAN is the first online tool to provide a comprehensive picture of a nonprofit's financial health.

GUIDESTAR Charity Check

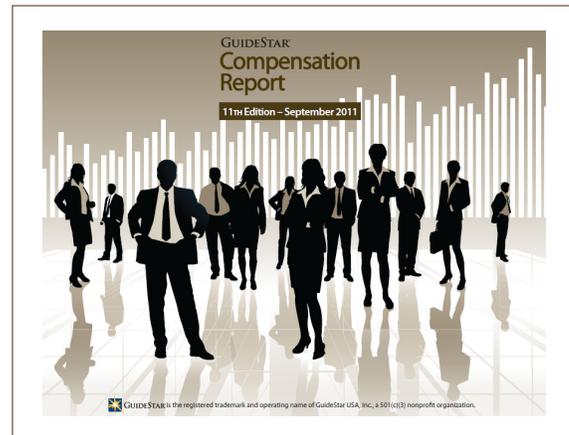

Quickly verify an organization's current tax-exempt status and identify supporting organizations with this comprehensive tool for grantmakers. *GuideStar Charity Check is the only pre-grant due-diligence product that is 100% compliant with IRS requirements for qualifying recipients of grants and tax-deductible contributions*

GuideStar Directory of Nonprofit Contractors

Get data for tailoring proposals, identifying potential nonprofit clients, and determining how much nonprofits are paying for specific services. Compiled from the IRS Forms 990 nonprofits filed for fiscal year 2009, the *GuideStar Directory of Nonprofit Contractors* is the only report of its kind.

GUIDE STAR Compensation Report

Benchmark your salary and benefits package with those of thousands of other nonprofits to ensure that your compensation practices meet the IRS definition of “fair and reasonable.” The *GuideStar Nonprofit Compensation Report* remains the only large-scale nonprofit compensation analysis based entirely on IRS data.

Enterprise Solutions (11 users or more)

Enterprise Subscription Services

Empower your team, department, or entire organization with access to GuideStar services, including GuideStar Premium, GuideStar Charity Check, and data purchases. Save in comparison to single-use pricing.

Standard and Custom Nonprofit Lists

Order data by state or metropolitan statistical area, or choose a custom data option.

Enterprise Data Integration

Partner with GuideStar to integrate nonprofit data into your products and services.

Web Services

Retrieve nonprofit data via a real-time call to the GuideStar database for display for your Web site or integration into your own database applications.

Matching and Verification

Compare your data set with the GuideStar database to verify nonprofit status, confirm charitable status, and append data fields.

Hosted Solutions

Give your users seamless access to GuideStar data directly from your Web site without investing valuable IT resources in development and maintenance. We'll create custom-built pages that match your site's look and feel.
