### Automatic Revocations Are Here—and On GuideStar

The IRS published the first Automatic Revocation of Exemption List on June 8. More than 275,000 nonprofits lost their exemptions because they failed to file an annual return for three consecutive years.

Find out what happens now and how the revocations will affect your experience on GuideStar. (Be sure to check out the FAQs on the bottom of the page.) [Read more](#)

### For Whom the Revocations Told

GuideStar has analyzed the Automatic Revocation of Exemption List according to organization type, revenue, subsector, and state. [Read more](#)

### Time to Develop New "Donor-Friendly" Messaging?

For successful fundraising, it's crucial that everyone in your organization can tell its story and share the full scope of what you do. It's just as important that everything you put in front of the public shows the difference you're making. Here's how to develop that messaging. [Read more](#)

## Request for Experts

Philanthropedia just released its survey to identify high-impact nonprofits working in animal welfare, rights, and protection on a national and local level; at-risk youth on a national level; and people with disabilities on a national level. If you are an expert (funder, researcher, nonprofit senior staff, policymaker, etc.) in any of the issue areas above, please submit your contact information.

### Bob Ottenhoff's Blog

For some time now, I have been writing to caution donors to check on the charitable status of a nonprofit before making a contribution. [Read more](#)
