This report represents WORLD FEDERATION OF SOCIETIES OF ANAESTHESIOLOGISTS's responses to Charting Impact, a joint project of BBB Wise Giving Alliance, GuideStar USA Inc, and Independent Sector. Charting Impact uses five simple yet powerful questions to encourage strategic thinking and help organizations share concise information about their plans and progress toward impact.

WORLD FEDERATION OF SOCIETIES OF ANAESTHESIOLOGISTS
London United Kingdom W1b 1py , United Kingdom, NY 00000
www.anaesthesiologists.org

Mission:
TO MAKE AVAILABLE THE HIGHEST STANDARDS OF ANESTHESIA, PAIN TREATMENT, TRAUMA MANAGEMENT AND RESUSCITATION TO ALL PEOPLES OF THE WORLD AND TO DISSEMINATE THE SAME AMONGST THEM
The content of this Charting Impact Report is the sole product and responsibility of WORLD FEDERATION OF SOCIETIES OF ANAESTHESIOLOGISTS. This report does not in any way represent an endorsement from Independent Sector, BBB Wise Giving Alliance, or GuideStar, nor does it represent fulfillment of the BBB Wise Giving Alliance’s Standards for Charity Accountability. For more information on Charting Impact, visit www.guidestar.org/chartingimpact
1. What are we aiming to accomplish?
To improve patient care, and access to safe anaesthesia, by uniting anaesthesiologists around the world.

2. What are our strategies for making this happen?
We deliver our mission through programmes that are implemented in partnership with National Societies of Anaesthesiology and other organisations that share our objectives. We work with the World Health Organisation (WHO), with governments, with other standard setters, with surgical organisations, with NGOs, with hospitals and with training centres and we welcome partnerships with organisations that support safe surgery and recognise that safe anaesthesia is an essential element of the same.

1. Education & Training Aim: To enhance patient care worldwide by working collaboratively to create, develop and strengthen anaesthesiology education and training
Objective 1: To provide fellowships and other grants to young anaesthesiologists
Objective 2: To strengthen the global capacity to deliver safe anaesthesia and effective pain relief
Objective 3: To develop, and make available, quality educational materials for anaesthesiologists worldwide.

2. Innovation & Research Aim: To promote innovation and research in anaesthesia
Objective 1: To seek out, test and endorse innovative equipment, drugs, learning or methods for safer anaesthesia and effective pain relief in resource poor settings
Objective 2: To promote and support research into anaesthesia, with a focus on the areas of innovation, safety, education and anaesthesiology in resource poor settings

3. Safety and Quality Aim: To promote global standards in anaesthesiology
Objective 1: To promote and maintain the International Standards for the Safe Practice of Anaesthesia around the globe
Objective 2: To provide guidance concerning the professional wellbeing of anaesthesiologists

4. Advocacy Aim: To support and promote a focus on the availability, safety and quality of anaesthesiology
Objective 1: To encourage national and global decision making that promotes the availability of safe and high quality anaesthesia and effective pain relief
Objective 2: To promote anaesthesia and surgery as an essential element of global health - to address the crises of unsafe surgery and access to surgical care

3. What are our organization's capabilities for doing this?
Hundreds of thousands of Anaesthesiologists across 140 countries

4. How will we know if we're making progress?
- Numbers of anaesthesia providers trained / annum
- Numbers of Member Societies
- Numbers of anaesthesiologists who are members of National Societies
- Changes in international health policy & legislation re surgical care & anaesthesia
- Numbers of research grant applicants and awards
- Numbers of innovation awards applicants
- Number of scholars to regional congresses

5. What have and haven't we accomplished so far?
To date over 200 fellows
To date over 100 Scholars to Regional Congresses
Over $2m per year donated in volunteer time
To date over 120 member societies of the WFSA covering over 140 countries
Over 300 Tutorials published
Over 400 articles published in Update in Anaesthesia
