1. What are we aiming to accomplish?
To increase consumer awareness of knee and hip replacement options, including doctor/surgeon selection, deciding upon surgery, preparing for surgery, what to expect, recovery and pain management, rehabilitation. • Raise awareness about joint replacement options for treatment of hip and knee osteoarthritis. • Raise the image of the joint replacement industry as a counterbalance to often deemed sensationalist media and commonly held perceptions.

2. What are our strategies for making this happen?
Informational articles posted on website http://bonesmart.org/ Community support forum on website http://bonesmart.org/

3. What are our organization's capabilities for doing this?
Large library of informational articles on website http://bonesmart.org/ Very large and well attended community support forum on website http://bonesmart.org/

4. How will we know if we're making progress?
Analytic metrics indicate continual growth in visits to the website and forum. Also considerable growth in community forum membership on a yearly basis.

5. What have and haven't we accomplished so far?
Feedback from forum participants indicates a high level of satisfaction with support and information received through the website and community support forum channels.
