1. What are we aiming to accomplish?
The goal of The Children's Healing Institute is to increase the depth of services we provide in the community and duplicate our Palm Beach County Programs in Broward County.

2. What are our strategies for making this happen?
The Children's Healing Institute has diligently worked with For Impact Strategic Planners in outlining our goals, values, objectives and targets.

3. What are our organization's capabilities for doing this?
The Children's Healing Institute has the expertise in place to attain outlined goals and strategies. We are comprised of a Board of Directors who are committed to the mission and to ensuring the Board and staff has the needed support in place to future growth.

4. How will we know if we're making progress?
Indicators for our progress our outlined in our strategic map with measure, targets and objectives. These measures and targets are measured monthly and have accountability attached to them.

5. What have and haven't we accomplished so far?
Since working on our goals and objective we have been able to increase grant funding, cast a wider net of national attention for our Turn on the Light Conference and develop projects that have enhanced our depth of services provided to families.
