This report represents SNIPS SPAY NEUTER INITIATIVE PET SOCIETY’s responses to Charting Impact, a joint project of BBB Wise Giving Alliance, GuideStar USA Inc, and Independent Sector. Charting Impact uses five simple yet powerful questions to encourage strategic thinking and help organizations share concise information about their plans and progress toward impact.

Mission:
To prevent the suffering and death of cats and dogs due to overpopulation, especially in low-income areas

1. What are we aiming to accomplish?
To prevent the suffering and death of cats and dogs due to overpopulation, especially in low-income areas, through spay/neuter

2. What are our strategies for making this happen?
Advertise programs, educate the public about the importance of spay/neuter to control the pet population, coordinate services, and provide transportation

3. What are our organization's capabilities for doing this?
Since 2008 SNIPS has helped 3609 pets of individuals, offering low cost or no cost spay/neuter services.

4. How will we know if we're making progress?
The program has been able to continue due to grants, fundraisers, and donations. The public knows the importance of the services we offer.

5. What have and haven't we accomplished so far?
We are helping one pet at a time to be a happier and healthier pet--3609 so far. We are all-volunteer and receive no salaries.
