- **Seminar on Human Rights Education and distribution of plant-based food and school supplies**

  **Population(s) Served:** n/a

  Seminar on Human Rights Education, distribution of plant-based food and school supplies to vulnerable school children in Nigeria.

  On the 5th of May, we distributed a total of 86 plates of nutritious plant-based food together with school supplies to 75 students (including teachers and volunteers).

  We start this event with a seminar on Human Rights Education and Learning by presenting fundamental aspects such as unity in diversity, interculturality, peace, the concept of world citizenship and building character through the full development of human personality.

  We teach children the relevance of living a virtuous life (cultivation of human values, basic ethics, and principles of life) for a better and more cultured society by avoiding all manners of social vices and violence.

  Children learn basic principles of nutrition by dealing with healthy eating habits and health problems.

- **Primer taller de soporte socioemocional para los padres de familia del Colegio de Educación especial**

  **Population(s) Served:** n/a

  El jueves 21 de abril, la Fundación Luis De La Calle realizó el primer taller de soporte socioemocional a cargo de la Dra. Paola Vera, psicóloga y psicoterapeuta, con la finalidad de brindar ayuda a las madres de familia de los niños del CEBE La Luz del Mundo, ubicado en Chacacayo (Lima, Perú). Nuestro propósito fue enseñarles a conocer y controlar sus emociones en tiempos difíciles como los de la pandemia, por ejemplo, sobre todo en el caso de ellas que tienen una gran responsabilidad al ser madres de niños con discapacidad y multidiscapacidad.

  Al final del taller, entregamos a 50 niños cajitas ecoamigables que contenían los siguientes alimentos veganos:

  - Un queque de plátano con harina de quinua, coco, pasas, pecanas y panela.
  - Un turrón energético de castañas, trigo, quinua, soya y miel de caña.
  - Una mandarina.

* The Foundation Status Code is the code that foundations are required to provide for each grantee annually on part XV of Form 990PF. Note that this code cannot be derived in some cases (e.g., supporting organizations for which 'type' can't be determined).

IRS Revenue Procedure 2011-33 allows grantors to rely on third-party resources, such as GuideStar Charity Check, to obtain required Business Master File (BMF) data concerning a potential grantee’s public charity classification under section 509 (a) (1), (2) or (3).

GuideStar Charity Check Data Sources

- GuideStar acquires all IRS data directly from the Internal Revenue Service.
- IRS Publication 78 (Cumulative List of Organizations) lists organizations that have been recognized by the Internal Revenue Service as eligible to receive tax-deductible contributions.
- IRS Internal Revenue Bulletin (IRB) lists changes in charitable status since the last Publication 78 release. Between the release of Publication 78 and the subsequent IRS Internal Revenue Bulletin, the IRB date will reflect the most recent release date of IRS Publication 78.
- IRS Business Master File lists approximately 1.7 million nonprofits registered with the IRS as tax-exempt organizations.
- The IRS Automatic Revocation of Exemption List contains organizations that have had their federal tax-exempt status automatically revoked for failing to file an annual return or notice with the IRS for three consecutive years.
- The IRS Revenue Procedure 2011-33 allows grantors to rely on third-party resources, such as GuideStar Charity Check, to obtain required Business Master File (BMF) data concerning a potential grantee’s public charity classification under section 509 (a) (1), (2) or (3).
- The Office of Foreign Assets Control (OFAC) Specially Designated Nationals (SDN) list includes organizations that are owned or controlled by targeted individuals, groups, and entities, such as terrorists or narcotics traffickers. Their assets are blocked and U.S. persons are generally prohibited from dealing with them.
