

Their words

"Who are these women? Who are these women that didn't know me, but who came in for a week and gave me back a home I can live in?"

Walter
Louisiana 2021

The thought, the love, and the kindness will always be remembered and shared ... long after you have returned to your homes.

Cathie
2019

"Thank you for putting your heart and your soul into this work ..."

Bernice
2019

"Just when we thought no one else was coming to help ... just when we had given up ... here came this group of women who really know how to work and they also listened to us talk about what happened."

Linda
Kentucky 2022

Our Mission

To mobilize volunteers to provide recovery efforts in areas affected by natural disasters, for environmental relief, and for other community needs.

*Where hope
is getting weak,
we come with willing
(and skilled) workers.*

Since 2017 ...

40+ projects nationwide

11 natural disasters

600+ families assisted

120+ properties repaired

171 women's shelters helped

12 environmental cleanups
or remediation

\$200,000+

in direct aid (numbers as of 4/2023)

We've also delivered hygiene and health items, first aid items, and food to several communities in disaster or recovering from COVID.

Thousands of cards have been sent to hospitalized children.

205+ units of blood and plasma have been donated by members.
