Welcome, Brad Beckwith!

Executive Director

Dear Fellow Community Members,

2022 was a year of transition for Deschutes Children's Foundation. Beginning with a return to what most organizations would consider a normal operating environment. Then, and most recently, DCF underwent changes within the leadership team at the levels of Executive Director, and Events and Marketing. However, with all this transition the outlook for DCF remains bright and an opportunity to improve upon our services has been embraced by our team. From the Board of Directors and throughout the Staff at DCF, there is a renewed focus on the crucial services that we provide our community.

As we transition back to what most would consider a normal environment, the deeper effects of the pandemic on children and families have been revealed. For many children and families in our community, home was not a sanctuary and access to the services that our partners provide was limited or adjusted. We have learned that the mission of DCF and its partners is needed now more than ever as we recover from this period of gapped services.

With all the challenges and transitions that DCF underwent over the past year, we were still able to accomplish remarkable intentions. This resiliency is a testament to the commitment of our stakeholders both present and past. We would not be here without the efforts over the past 32 years from our community members, partners, and staff that helped build DCF into what it is today. Upon this foundation of caring and service to our community we look forward to our next steps at DCF and maximizing our impact for the children and families that we serve.

Thank you for supporting our mission of providing non-profits the space and support that they need to succeed.

With optimism,

Brad Beckwith

Welcome, New Board & Team Members!

Katherine Rowe

Johnson Community Center

Stephanie Powell

Marketing and Events
Manager

When we don't need to focus on operating costs, we can shift our focus to the children and families who need our services. Partnership and support from Deschutes Children's Foundation make our lives so much easier!

-DCF Nonprofit Partner

Nonprofit Collaboration

20 nonprofit partners across 4 campuses

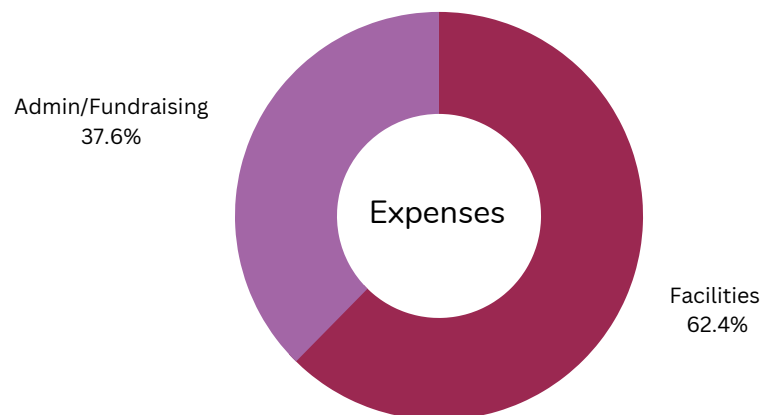

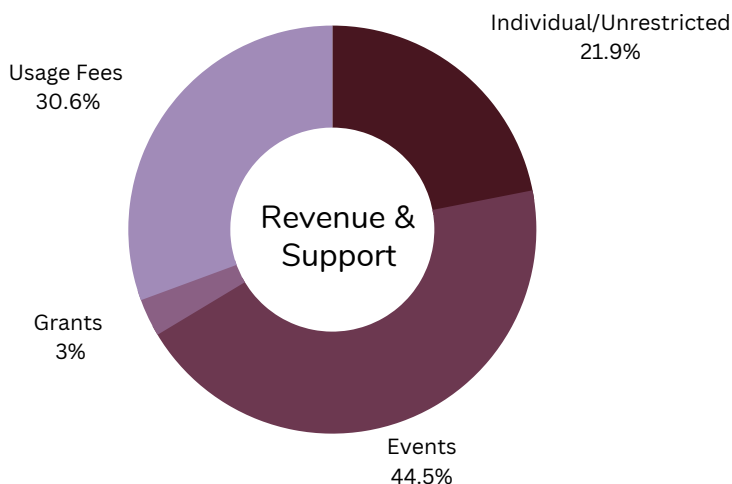

Physical Space for Nonprofits

\$1.25 million funds saved annually

Support for Local Families

Over 17,500 children and families helped

2022 Financials

Our Mission

Deschutes Children's Foundation provides the space and support where nonprofits succeed at helping children and families.

Our Vision

We envision a community where all children and families have the resources they need to thrive.

The Every Kid Fund awarded \$18,314 to 8 nonprofits in 2022!

The Every Kid Fund is an endowment fund whose annual earnings provide scholarships for youth to participate in meaningful after-school activities. These awarded funds serve to help to eliminate the barrier of cost for families and youth across Central Oregon. Deschutes Children's Foundation manages this fund, distributing earned income to eligible organizations.

Working together to help vulnerable children and families thrive!

Thank you!

Approximately **1 out of every 10** people living in Bend, La Pine, and Redmond received services at our campuses in 2022

The footprint of DCF is intentionally broad, we strive to provide services that are **accessible to all members of our community**

Through our unique model, **partners are able to direct more funds directly to their mission, maximizing their impact**

"Having a space to collaborate with a variety of services is a great benefit. Families have more access to more resources all in one location."
