VISION

We are One Texas, united in building resilient and thriving communities.

MISSION

OneStar strengthens Texas communities by creating pathways for individuals and organizations to engage, connect, and accelerate their impact.

GOAL 1
Engage Texans in making a difference

Ensure Texans know how and are able to engage to make a difference in their communities.
- Promote existing pathways to volunteer and recognize achievements of Texans volunteering.
- Support individuals in finding AmeriCorps service opportunities, leverage their AmeriCorps experience, and stay engaged after service.
- Explore additional opportunities, beyond service and volunteerism, for OneStar to leverage our resources to engage Texans in making a difference in their communities.

GOAL 2
Build momentum for AmeriCorps in Texas

Strengthen pathways to service by leading and building momentum for AmeriCorps in Texas.
- Increase engagement and develop new key partners for national service.
- Sustain and develop our AmeriCorps Texas programs and AmeriCorps VISTA host sites through high quality support and appropriate oversight.
- Ensure access to AmeriCorps resources are equitable and meeting priority needs in Texas.

GOAL 3
Accelerate the impact & strength of the Texas nonprofit sector

Build upon OneStar’s unique position as a neutral convener and trusted cross-sector partner.
- In collaboration with sector partners, chart a path forward for the next-generation state association for the sector, and provide a complementary suite of OneStar-led capacity building activities to ensure core sector support is available to all nonprofits and nonprofit leaders in Texas.
- Position OneStar as a go-to advisor for leaders, influencers, and decision makers on the sector in Texas.
- Increase effectiveness of the Texas Faith-Based and Community Initiative, a statewide effort to reinforce the critical importance of nonprofit-government agency partnerships to meet needs of Texans.

GOAL 4
Foster resilient Texas communities

Promote community resilience before, during, and after disasters.
- Leverage OneStar’s expertise in national service, volunteerism and sector strengthening.
- Equip Texas with the infrastructure and best practices needed to effectively and equitably move resources (volunteers, money, in kind donations) to nonprofits and Texas communities during all phases of disaster.
- Lead statewide disaster philanthropy through Rebuild Texas Fund.
- Strengthen and broaden the disaster nonprofit network, and promote opportunities for nonprofits to engage in community resilience-building efforts.
