PLANNED GIVING
Pathways to giving to ensure the sustainability of our work

The LGBTQ Center OC was established as a volunteer organization in 1971 and incorporated in 1975 as a 501(c)(3) non-profit community-based organization. We are one of the oldest gay and lesbian community centers in the United States.

At the LGBTQ Center OC, all members and allies of the Lesbian, Gay, Bisexual, and Transgender community of Orange County join together in a network of support and unity. Our life-affirming programs focus on empowerment, and our advocacy efforts focus on speaking out against hate and discrimination. We exist so that every segment of the LGBTQ population of Orange County has the resources needed to thrive in their own lives and communities.

The LGBTQ Center Orange County provides services to more than 14,000 individuals annually across a broad spectrum of culture, ethnicity, age, and economic background. Programming is especially designed for gay men, lesbians, youth, the transgender community, the Spanish-speaking LGBTQ community, the bisexual community, and LGBTQ families.
