Independent Accountant’s Review Report

To the Board of Directors
Global Fellowship Inc.

We have reviewed the accompanying financial statements of Global Fellowship Inc. (a nonprofit organization) which comprise the statement of financial position of as of December 31, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management’s financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountants’ Responsibility

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountants’ Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying combined financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Notes to Financial Statements
December 31, 2017

Note 1: Nature of Activities and Summary of Significant Accounting Policies

This summary of significant accounting policies of Global Fellowship Inc. ("the Organization") is presented to assist in understanding the Organization's financial statements. The financial statements and notes are representations of the Organization’s management who is responsible for their integrity and objectivity. The financial statements have been prepared on the accrual basis of accounting. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Nature of Activities
Global Fellowship Inc. was organized as a California nonprofit corporation in 1989. In keeping with its mission, the Organization provides support to Christian missions by providing financial management and missionary training and counseling. The Organization’s revenue comes from contributions. The majority of the contributions are restricted by the donors to support specific missions. The Organization is also the sole member of two limited liability companies, BOLK Services, LLC and Mission Stream, LLC. These limited liability companies are considered disregarded entities for both income tax and financial statement reporting.

Financial Statement Presentation
The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents
For purposes of the statements of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Fair Value Measurements
The Organization’s policy is to measure financial instruments at fair value using valuation techniques that are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

- Level 1 inputs – quoted prices in active markets for identical assets
- Level 2 inputs – significant other observable inputs
- Level 3 inputs – significant unobservable inputs

Cash and cash equivalents are valued at their carrying amount due to their short maturities.

See independent accountants’ review report.

Notes to Financial Statements
December 31, 2017

Note 1: Nature of Activities and Significant Accounting Policies (Continued)

Promises to Give
The Organization does not record donors’ pledges to give because the pledges do not meet the criteria for recordation.

Property and Equipment
It is the Organization’s policy to capitalize property and equipment having a cost in excess of $1,000. Lesser amounts are expensed. Purchased property and equipment are capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method as follows:

<table>
<thead>
<tr>
<th>Asset</th>
<th>Useful Life</th>
</tr>
</thead>
<tbody>
<tr>
<td>Furniture and equipment</td>
<td>5-7 years</td>
</tr>
<tr>
<td>Office improvements</td>
<td>39 years</td>
</tr>
</tbody>
</table>

Contributions
Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted depending on the existence or nature of any donor restrictions.

Support and Revenues
Contributions are considered to be available for unrestricted use unless specifically restricted by the donor or designated by the Board of Directors. Donated land, buildings, and equipment are recorded at estimated fair value at date of receipt if this value is measurable.

Income Taxes
The Organization qualifies for exemption from federal and state income tax under Section 501(c)(3) of the Internal Revenue Code and 23701d of the California Revenue and Taxation Code. Therefore, no provision for income taxes is made in the accompanying financial statements.

Concentrations of Credit Risk
Deposits of cash and equivalents held in interest-bearing accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000 per institution per account owner. At December 31, 2017, the Organization had $134,038 in uninsured funds at Bank of America. The Organization believes the risk is mitigated by the high quality of the bank.

Notes to Financial Statements
December 31, 2017

Note 2: Restrictions on Cash

The Organization maintains cash deposits for operations as well as worldwide missions. At December 31, 2017, cash was classified as follows:

Restricted for:
- Temporarily restricted projects $92,495
- Unrestricted cash 481,324
Total cash $573,819

Note 3: Property and Equipment

As of December 31, 2017 property and equipment consisted of the following:

Office improvements $11,627
Furniture and equipment 1,148
Less accumulated depreciation (597)
Net property and equipment $12,178

Depreciation expense was $519.

Note 4: Temporarily Restricted Net Assets

December 31, 2017, temporarily restricted net assets consisted of the following:

Dairy Cows Project $2,441
India - Barnhart/Pincode 13,200
India - Collaboration National Christian Foundation 31,000
India – First Fruits/Destiny Child. Elite 15,000
India – Vanguard Media Book Strategy 5,000
Sierra Grace Building Project 7,000
CMM – Aland Project 2,734
Global Dawn 16,120

Total temporarily restricted net assets $92,495

See independent accountants’ review report.
Note 5:  In-kind Contributions

For the year ended December 31, 2017, the Organization recognized support totaling $24,000 for in-kind contributions of office space and professional services. A local church donates the use of office space with an estimated fair market value of $1,000 per month. Rent expense of $12,000 is included in general and administrative expenses reported on the statement of activities. A skilled bookkeeper provides approximately 25 hours per month of donated accounting services. Prevailing hourly rates for similar services, including benefits, are estimated at $40 per hour. Accordingly the Organization included $12,000 of donated accounting services in general and administrative expenses reported on the statement of activities.

Note 6:  Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Note 6:  Subsequent Events

During the fiscal year ended December 31, 2018, the Organization revised its Articles of Incorporation for the purpose of changing its tax exempt status from a public charity to a church. The Organization does not expect the change in tax exempt status to have a material financial effect.

Management has evaluated subsequent events through January 2, 2019, the date the reviewed financial statements were available to be issued.

See independent accountants’ review report.
