WHO WE ARE

The Multiple Sclerosis Association of America (MSAA) is committed to our mission of Improving Lives Today for individuals living with multiple sclerosis and their care community nationwide. To fulfill that mission, MSAA has created a multi-pronged strategic plan that will both ensure the continuance of our core services and launch our organization forward.

Vision: Improving Lives Today!

Mission: Expand MSAA’s role as a leading resource for the entire MS community by providing free, vital support and services.

History: MSAA is a national, nonprofit organization that has been dedicated to empowering individuals living with multiple sclerosis and their care communities through education, support, and direct services since 1970. MSAA continues to serve as a convener for corporate, healthcare, and government stakeholders interested in improving the quality of life for those directly affected by multiple sclerosis. Join us in recognizing MSAA’s 51st Anniversary by Improving Lives Today!

"Caring for someone with MS daily is a journey that most won’t understand until you’ve lived it...MSAA created a strong Black community to support Care Partners with resources and a platform to be heard. Thank you MSAA for creating a space for us to share our stories and supporting us along the way."

SEE OUR VISION
MSAA’s logo is designed to appear as an abstract of people gathering and the interconnection of MSAA’s programs & services with the goal of conveying support and communication... hope and inspiration... positive energy and connection.

THE IMPACT
By following the joint strategy of core service augmentation and programmatic expansion, MSAA will increase our service to the MS community and enhance our role as a global leader in MS quality-of-life innovation.

MISSION EXPANSION
Through the collaboration of clients, care partners, healthcare providers, corporate partners, staff, and volunteers, MSAA will expand current services, forge new partnerships, and create innovative responses to areas of unmet need.

RESOURCE & FUNDING DIVERSIFICATION
Turn-key events, ongoing active donor stewardship, and activating new corporate relationships will help drive new dollars towards our mission.

COMMUNICATIONS & MARKETING
MSAA will continue to serve the needs of the MS community through creative and timely initiatives content creation, and strategic promotion.

PROFESSIONAL DEVELOPMENT
Investing in professional development, career planning and landscape benchmarking, we will support individual and organizational growth.

MISSION MOMENT

“[I support MSAA because of their constant support, compassion, and generosity they provide to the MS community. Not only do they help the individual with MS, but they support the caregivers, the family, and the loved ones affected by MS. MS touches the lives of everyone around the person living with MS, and I am grateful for an organization that recognizes that. As a caregiver, I cannot express how appreciative I am for all the support I am given. I never feel alone or hopeless when there’s an organization like MSAA around. Thank you to the moon and back!”
