Hanaeleh is a non-profit horse rescue in Orange County, California that rescues and rehabilitates abused and abandoned horses. If a horse is healthy, sound and able to be ridden, Hanaeleh will work to adopt out the horse to a new, loving home. For horses with more serious health or behavior issues, Hanaeleh will provide lifetime sanctuary to ensure their safety. Hanaeleh is dedicated to the education and promotion of equine advocacy issues, and is especially focused on ending horse slaughter.
