Our Strategic Path Forward

Children's Trust is the only statewide organization focused on preventing child abuse and neglect in South Carolina. We lead and support a network that shares our belief that all children should thrive, live in secure families and be surrounded by supportive communities.

Our vision
A South Carolina where every child thrives.

Our mission
Strengthening families, organizations and communities to prevent child abuse and neglect.

Our values
The work of Children's Trust is guided by a set of values that provide the framework and inspiration for all we do. Our values help hold us accountable to South Carolina's children and families, our partners and each other.

LEADERSHIP: Using our voice, vision and expertise to stand up for children, leverage resources and empower our partners.

EQUITY: Working to eliminate inequities so that all children and families have what they need to succeed.

INNOVATION: Advancing proven prevention strategies while striving to learn, grow and excel.

TRUST: Ensuring the public's trust through accountability, transparency and a standard of excellence.

Organizational alignment and commitment to three priority areas will provide necessary focus and help us to scale our impact and ensure that prevention services and programs are universally available to all children and families.

Lead the agenda
As a statewide leader, we seek large-scale transformation that benefits children and families.

Strengthen the network
As an intermediary organization, we work alongside our partners and stakeholders in communities across the state.

Change the narrative
As an advocate for children, we know there cannot be wide-scale impact without systems level change.
