ZERO – The End of Prostate Cancer is the leading national nonprofit with the mission to end prostate cancer. ZERO advances research, improves the lives of men and families, and inspires action. ZERO has been on the front lines fighting for a cure for more than twenty years. From diagnosis to survivorship, ZERO offers comprehensive support for prostate cancer patients. Starting with education, we provide millions of men and families with disease information through our website, printed materials, videos, and webinars. The ZERO Prostate Cancer Run/Walk series is thriving in more than 40 cities across the country creating awareness, connecting families, and providing grants to local organizations. Our ZERO360 team of experienced case managers help patients access financial resources, cut through insurance and Medicare red tape, and find emotional support. As the national leader in prostate cancer advocacy, we protect and grow critical federal research funding, currently at $100 million. (Less)
