Although a CFL respite excursion can improve a patient’s quality of life and prepare him or her and their loved ones for a long journey, their cancer journey inevitably comes to an end—resulting in either triumph or incomprehensible loss. For this reason, we offer all of our donors the opportunity to designate their gifts to be made in honor or in memory of someone important to them. You can also make a gift in honor of a wedding, an anniversary, a retirement or a birthday! The options are endless.

CFL now has the technology to allow our supporters to create their own fundraising webpages. For more information, visit: http://gallery.crossingthefinishline.org
Dalter and Hunter Madden’s mom, Adriane, became a CFL Sailor in August 2008. Upon return from their respite, the Maddens visited the CFL office. CFL President and Founder, Marci Schankweiler, asked the boys to make copies of their hands and fill their fingers up with their favorite parts of their respite excursion (the family went to Florida). The result is precious artwork, treasured by the CFL staff!

**CFL Events**

“Hook One For Hope” Fishing Tournament & Bayside Party

Our “Hook One For Hope” Tournament takes place in late summer and is our greatest family-fun event. During the day fishing takes place off the Cape May Coast, and Minmar Marine in Sea Isle City, NJ is generous enough to donate space for us to host our bayside party - which consists of children’s entertainment, dinner and desserts, adult beverages and the chance to dance the night away by the bay. Of course, the event concludes with our Fishing Awards ceremony in which the fishermen of the day are honored for their catches.

**Peter R. Bossow, Jr. Memorial Golf Tournament**

CFL’s Founder and inspiration, Peter R. Bossow, Jr. was an avid golfer and enjoyed the camaraderie of the game. It was therefore fitting that, from the very beginning, we established an annual tournament to be played locally in his honor. Every October, we gear up for our tournament at Commonwealth National Golf Club. The event provides one final opportunity to enjoy the outdoors before winter sets in, and our golfers always have a great time on the course. The day concludes with a top-notch dinner and open bar and a presentation by a CFL Sailor.

**Annual Beach Ball Gala**

CFL’s mission is to provide respite excursions for cancer patients – but we also like to provide our supporters a get-a-way from the winter blues! Every January we host our Beach Ball Gala event in Downtown Philadelphia. Live music, open bar, delicious food and a crowded dance floor equate to one memorable evening! Discounted hotel rates allow our guests to take a mini-vacation from the everyday and float away to our Beach Ball! Our VIP Reception beforehand, open to our corporate sponsors and larger donors, allows for a more intimate experience with cocktails, live music, guest speakers and delicious hors d’oeuvres.

**Annual Dinner and Fashion Show**

Our Fashion Show committee works hard each year to bring fun and elegant fashion to the forefront at their gourmet dinner and fashion show event. Fabulous silent auction and tombola items up the ante for the evening, and fun raffles add lots of excitement. The event, held in April, boasts a real catwalk and models, and designers have included Nicole Miller and Lilly Pulitzer.
CFL has served over 700 adult cancer patients and their loved ones. Each time the CFL office receives notification of the death of a Sailor, it is a sad day.

We are able to get through the pain by recognizing the joy that was brought into the lives of those we helped. Please keep the families of our Angels in your thoughts and prayers as they journey on without their loved one. May these special Angels guide us as we continue to serve future Sailors.

We strive to keep up to date on the health and well-being of our Sailors and other travelers. Should you have a correction to this list, please e-mail ashley@crossingthefinishline.org.
