THE CHARACTER DEVELOPMENT OF OUR FUTURE LEADERS IS PRIORITY #1

With fun and discovery at every turn, Scouting makes the most of right now. But what's more, it builds positive character and provides young people a foundation they can stand on to embrace opportunity, overcome obstacles, and make new discoveries.

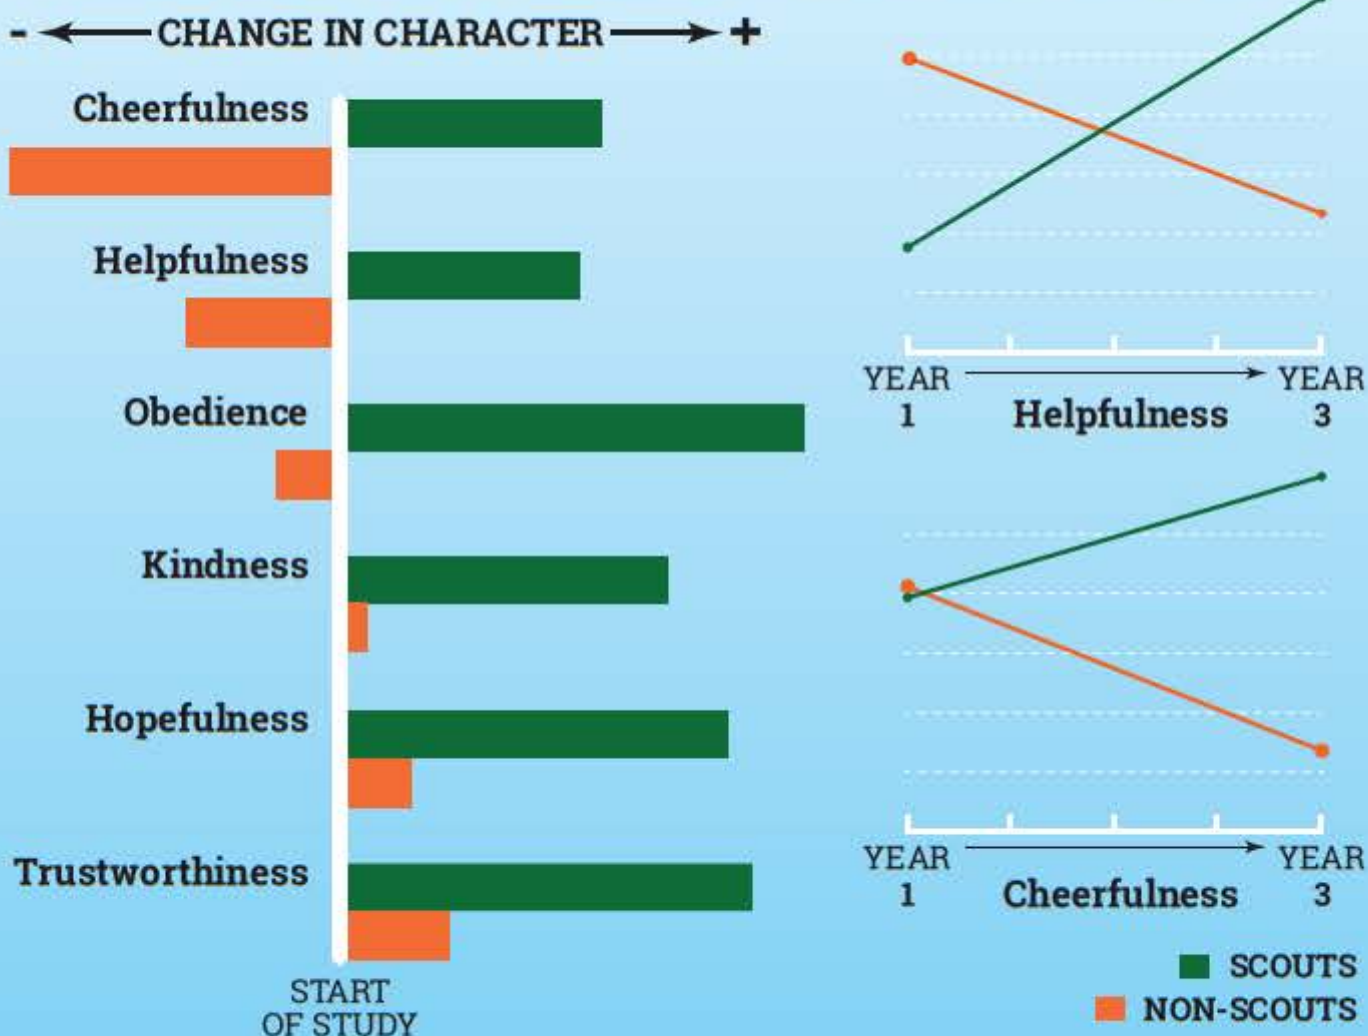

2,000+ Scouts and non-Scouts aged 6-12 were measured in 6 key areas:

*Hopeful Future Expectations

CHANGE IN CHARACTER

during the course of the three-year Tufts University study:

KEY FINDINGS:

The more time kids spend in Scouting, the better the outcomes in character development

Those who attend meetings regularly report higher outcomes virtually across the board when compared to Scouts with lower attendance

Scouts are more likely to embrace positive social values than non-Scouts

Scouts who are more engaged in the program report higher outcomes in nearly every category
