“My GRASP advisor has been instrumental in helping me adjust to college, both in affirming the things I am doing right and helping me where I struggle... I came into college carrying so much fear about my future, and between my GRASP advisor’s support, GRASP’s investment in me, and the mental health improvements GRASP has helped me achieve, I feel better than ever heading into another academic year.”

Jake, Richmond City
Studying mechanical engineering

“I would like to thank all of the donors and staff that made it possible for me to achieve a dream of mine. You all have provided me with many resources that are necessary for me to achieve in furthering my education...”

Tania, Rappahannock High School

Next year, we have set a goal of reaching $2 million in revenue from our College Success Program. While we have only raised $1,516,426 so far, your generosity is crucial to our success. We are halfway there, and we need your help to reach our goal.

Thanks to you, we have been able to award $1,325,517 in financial aid to our students. This includes $500,000 in grants and $825,517 in scholarships. This has been possible thanks to the generous donations of many individuals and organizations. Your support has allowed us to provide the necessary resources for our students to achieve their dreams.

In the past year, we have assisted more than 10,000 students with our College Success Program. This includes helping them with the Free Application for Federal Student Aid (FAFSA), providing financial aid information, and connecting them with resources for additional financial support. We have also helped our students navigate the college application process and find the right college for them.

We are grateful for your continued support. Together, we can make a significant impact on the lives of our students and help them achieve their dreams.

Thank you for your generosity and commitment to GRASP.
Thanks to your support, GRASP inspires students to pursue futures they had not known were possible.

Your generous gifts allow the caring and dedicated GRASP advisors in 87 high schools across Virginia to help students navigate the financial aid process and guide them in determining their least-cost options, whether they’re aiming for community college, a university, or even the military.

GRASP steps into the lives of young Virginians and gives them hope. GRASP ensures career or college access for all.

In-School Advising
Your gift helped us assist 8,066 high school students in accessing financial aid for post-secondary education.

We mentored 965 of these students through 3DGRASP Virginia, helping them obtain $554,750 in scholarships funded by Virginia529.

More than two-thirds came from low-income households.

College Success Program
With your help, we supported 139 college students on their path to degree completion through email programs, financial aid advising, problem-solving support, and summer boot camps.

Thanks to you, we awarded $156,189 in scholarships to 72 participants.

Middle School Pilot Program
More than seven hundred and seventy students explored career options, including skilled trades, and the requisite post-secondary degrees or credentials.

This program was funded by an Altria Success360 grant in partnership with Henrico County Public Schools.
