On behalf of Lutheran Metropolitan Ministry, we are honored to present the 2017 Annual Report. As LMM nears its 50th year in 2019, we’re focused on providing innovative solutions in Housing & Shelter, Workforce Development, and Health & Wellness Services. Our unwavering commitment to addressing chronic needs, enabling people to self-sufficiency, and advocating for system change drives our efforts to empower those we serve each year. A few of our 2017 highlights:

• Our Men’s Shelter at 2100 Lakeside completed a multi-million dollar renovation funded by Cuyahoga County and the Ohio Development Services Agency

• The agency increased its community presence and branding awareness with positive stories in the media, including print and digital outlets

• Academy Award-nominated filmmakers announced their making of a documentary about the women of LMM’s Chopping for Change program

• We successfully concluded two mergers and strategically re-aligned programs in order to strengthen and modernize services

• We progressed in our commitment to sustainable practices with the development of a “Green Team,” which researches and conducts initiatives to lead LMM in environmentally conscious best practices and education as recycling guidelines evolve

We trust that you see our commitment to empowering the oppressed, forgotten and hurting reflected throughout this report. We extend our sincere gratitude to all our donors and funders for your role in this success and we look forward to another year of convening, advocating and serving with your support.

With appreciation,

Marcella J. Brown, MNO

LMM is working toward a better political culture, more thoughtful media and a renewed civic dialogue.

We have a mission-level commitment to advocacy and we work for common sense public policy solutions informed by innovative programs working on behalf of low-income and marginalized people.

In 2017, through civic engagement, public awareness campaigns, advocacy forums and meetings with Ohio public officials, LMM addressed:

- Access to Health Care
- Affordable Housing
- Criminal Justice Reform
- Foster Care
- Hunger and Food Insecurity
- Public Health and Clean Energy
- Workforce Development

LMM leadership, staff partners and clients met with Ohio public officials in Cleveland, at the Ohio Statehouse and in Washington D.C. In August, we were delighted to host Ohio Attorney General Mike DeWine for a tour and discussion about ending recidivism.

Our Principles:

- We believe that smart and effective government is an essential way society makes equitable decisions to improve lives, families and communities.
- We believe that good public policy results from people with differing views rationally finding common ground, transcending exaggerated differences and aligning for the common good.

• Our year-end net assets totaled $8,215,291
