**INDEPENDENT AUDITOR'S REPORT**

The Board of Directors  
Violence Policy Center

**Opinion**

We have audited the accompanying financial statements of Violence Policy Center (VPC) (a nonprofit organization), which are comprised of the statements of financial position as of December 31, 2022; the related statements of activities, functional expenses, and cash flows for the year then ended; and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of VPC as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of VPC, and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the organization's ability to continue as a going concern for one year after the date that the financial statements are issued.

# INDEPENDENT AUDITOR'S REPORT

## VIOLENCE POLICY CENTER

### Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### NOTE 1

## GENERAL INFORMATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### General information

Violence Policy Center (VPC), is a tax exempt corporation organized under the laws of the District of Columbia in 1988. VPC works to reduce firearms violence in America by approaching firearms violence as a public health issue while illustrating the need to regulate firearms as inherently dangerous consumer products.

### Summary of significant accounting policies

#### *Basis of accounting*

VPC's financial statements are prepared using the accrual basis of accounting.

#### *Cash and cash equivalents*

Cash on hand, deposits in banks, and highly liquid investments with original maturities of three months or less are considered cash and cash equivalents for purposes of these financial statements.

#### *Property and equipment*

Property and equipment are recorded at cost. Depreciation is recognized over the related assets' estimated useful lives, using the straight-line method. Repairs and maintenance are charged to expense as incurred.

#### *Net assets*

For financial statement purposes, net assets are classified as follows:

**Without donor restrictions:** Represents the portion of net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by board designation.

**With donor restrictions:** Represents the portion of net assets whose use by VPC has been restricted by donors with specified time or purpose limitations. As of December 31, 2022 net assets with donor restrictions totaled \$225,000.

### *Pervasiveness of Estimates*

Actual results could differ from those estimates.

### *Income tax status*

VPC is exempt from federal income taxes on income other than unrelated business income under Section 501(c)(3) of the Internal Revenue Code and the applicable income tax regulations of the District of Columbia. VPC had no unrelated business income during the year ended December 31, 2022.
