

Strategic Plan 2024-2029

YEW COMMUNITY OF THE HEART

Yracébûrû EarthWisdom Spiritual NonProfit / Church

The Community fully embraces Yracébûrû EarthWisdom's mission to provide community members with healing & spiritual experiences to improve the general quality of life. We make this mission a reality through programs that create healthy relationships, protect and maintain Sacred Ground, provide unique experiences, reduce dysfunction and stress, and foster responsibly sustainable relationship with the land and natural resources.

The Strategic Plan for Community outlines our priorities for accomplishing our mission over a five year period and is closely aligned with Yracébûrû EarthWisdom Spiritual NonProfit / Church (nonprofit #). The Community's plan lays out how we meet challenges, and anticipates what opportunities are on the horizon.

The Community's Strategic Plan also provides a cyclic map to help us maximize the benefits of traditional earth community. Members of Spiritual NonProfit / Church community recognize these benefits:

COMMUNITY

Traditional Community establishes a positive community identity. Safe and well planned events promote family friendly expression, reduced stress, relationship harmony and earth spirit.

HEALTH

Traditional Community provides opportunities to foster healthy lifestyles, build self-esteem, reduce illness, and provide positive alternatives for life choices.

EARTH CONSCIOUSNESS

Traditional Community helps protect and honor the earth, wildlife, water and air, and improves overall community harmony and purpose. Individuals have the opportunity to learn earth ways first hand, and implement these lessons in daily contemporary life.

SUSTAINABILITY

Traditional Community enhances individual value, contributes to holistic and productive lives, and helps attract alliances as all grow abundantly.

Our Mission

To model traditional earth ways in contemporary life and to provide opportunities for healing and peace-making experiences.

Our Vision

A traditional community role model that is a resource to other communities seeking to live in responsible co-creation.

Guiding Principles

- Integrity. We give what we expect to receive... honesty and respect... to the individuals, families and community we serve.
- Earth. We preserve and enhance the consciousness of earth as a living being, always being mindful our connections and effect.
- Sustainability. We develop venues for fiscal stability for individuals, and community as a whole.
- Continuous Growth. We promote a lifestyle that honors our members, alliances, and vision, and fosters innovation in evolving life.

Strategic Initiative #1 - Community Base

Improve opportunities for community members and strengthen alliances

Strategic Initiative #2 - The Ranch

Promote strategies that continue to provide land base for operations, environmental preservation and reclamation, quality of life, and economic development.

Strategic Initiative #3 - The Move

Fundraise for Facility Move in 2026 when Lease Ends

Strategic Initiative #1 - Community Base

Improve opportunities for community members and strength traditional alliance

Yracébûrû EarthWisdom Spiritual NonProfit / Church provides many programs and services to ensure our community enjoys healthy and empowering lives. Many health and behavioral issues have led individuals to us. Among the labels regarding health and life, traditional community helps individuals and families discover options, and embrace life.

We all want our loved ones to reach their full potential. Yracébûrû EarthWisdom Spiritual NonProfit / Church helps others connect by offering opportunities that address a wide variety of needs - opportunities to engage in inspirational activity and growth, to develop relationship skills, and to model compassionate, cooperative lifestyles. Through direct programming and alliances, we provide positive traditional community activities, nature education, Earth spirituality, healing assistance, access to wisdom keepers, and our targeted ordination program.

The Community is helping individuals in Yracébûrû EarthWisdom Spiritual NonProfit / Church Community to succeed in life.

Community Objectives

- Expand programming through the continued operation of the Helping Hooves Healing Womyn Program, and introduce skill sets and soul healing that are consistent with positive mental health.
 - Replace limiting belief systems by providing safe, empowering, simple Ceremonial Circles and emotional growth stimulating opportunities, such as our monthly Zoom EarthCeremony Circle and our In-Person at the Ranch TurtleWomyn's Moon Lodge.
 - Develop programs that incorporate traditional and innovative learning methods.
 - Aggressively pursue funding and opportunities to establish new programs, like our in the planning, HorseLove for Special Needs, in underserved areas of community concern.
 - Maintain a positive spiritual foundation that brings healing of humanity's soul to assist and ensure healthy lives and longevity, enriching the present and future of the entire community.
 - Serving as best we can in every given moment through our Community Service Projects.
-

Strategic Initiative #2 - The Ranch

Promote strategies that continue to provide land base for operations, environmental preservation and reclamation, quality of life, and economic development.

The Community is leading Yracébûrû EarthWisdom Spiritual NonProfit / Church's effort to preserve ancient ways, which provide for healing opportunities, support traditional community life, and natural sustainability that uplifts. We continue to implement community action and participation. The Community helps ensure an affirming and sustainable traditional life.

We also recognize that our family is growing. Enhancing our life quality requires that we balance our responsibility to support our community with our obligation to education Yracébûrû EarthWisdom Spiritual NonProfit / Church's growing membership to the ways of earth. We will continue to pursue co-creative, community sustainability in these equally important areas.

The Community Objectives

- Leverage donations and investments to implement alternative Earth venues.
 - Use the best sustainable practices, no matter where our facilities are located, to improve the land diversity and relationship interaction quality of our community.
 - Expand outreach and Earth programs to increase awareness and collaboration throughout Yracébûrû EarthWisdom Spiritual NonProfit / Church's world wide membership base.
 - Pursue funding to purchase and acquire land for a permanent location as an Earth-Spirit healing center... home to the Yracébûrû EarthWisdom Spiritual NonProfit / Church, Helping Hooves Healing Program, and potentially a small onsite healing facility.
 - Enhance community empowerment through Community Service Projects and cooperative efforts with other co-creating organizations.
 - Utilize effective entrepreneurial and management skills to plan future vision and empower All Our Relations.
-

Strategic Initiative #3 - Permanent Home Promote spiritual-healing-wilderness retreat

Well maintained relationships help make sure our community members are supported in their life goals and dreams, but living in a traditional Earth fashion can greatly be enhanced by land association. While we are not pursuing enough land acreage to support an entire Intentional communities, our goal is to provide a getaway that evokes the connection of Spirit and Earth, providing quality resources and opportunities that people of all walks of life can appreciate.

The Community pursues the vision of acreage, preservation and development, actively and passively, in settings that range in diverse requirements of the envisioned community project. Our plan to purchase a permanent facility, encourages wilderness preservation, Earth-spirit ceremony, cross-cultural Earth teachings from indigenous around the world, a small working ranch, organic garden and healing retreat.

Our permanent facilities, will encourage healthy models and promote the role of Earth in improving individual health, happiness and sustainability.

The Community Objectives

- Enhance and expand existing cross-cultural earth teachings / develop programming from within the community members to cultivate a co-creative foundation in our offerings.
- Promote the health and well being of individuals through a diverse range of high quality program opportunities... EarthTeachings, EarthSpirit, EarthAdventure, EarthHealing.
- Develop a marketing campaign to identify emerging needs and to promote programs and opportunities that provide answers. Beginning of Traditional Community Model Program to teach other communities the basics of traditional living in contemporary time.
- Expand services and access to participation for everyone.
- Create new partnerships to increase community involvement in growth and harmonious flow.
- Improve communication and outreach capabilities in Elders, Youth and other community circles.

- Develop effective land acquisition, management and program implementation plans.
- Focus resources on Phase One of Acquiring a Permanent Facility
- Enrich all of our lives.
