Gentlemen:

Based on the information you recently submitted, we are modifying your classification of foundation status from a school as described in IRC 170(b)(1)(A)(ii) to a publicly supported organization as described in IRC 170(b)(1)(A)(vi) effective June 1, 1976.

Your exempt status under section 501(c)(3) of the code is still in effect.

This classification is based on the assumption that your operations will continue as you have stated. If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status.

Because this letter could help resolve any questions about your foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Very truly yours,

Everett Loury
District Director
