Kern Athletic Fencing Foundation
10717 Loughton Ave.
Bakersfield, CA 93311

Dear Mr. Dobrzanski,

Standard School District is now in our 8th year of partnering with Kern Athletic Fencing Foundation (KAFF) in our X-Factor after-school program. It has been amazing to see this program grow from being provided at Standard Middle School to now being provided at all three Elementary Schools in addition to the Middle School. Students have continued to benefit from the training and character building from learning the sport and the art of fencing.

We have been able to use fencing demonstrations for our showcases and more recently at a school board meeting. The students representing the Fencing Club from the X-Factor After School Program reflected the honor and integrity that has been taught through this classical sport.

Standard School District is dedicated to serving the whole child. Kern Athletic Fencing Foundation has a similar focus and has helped us in achieving that goal with students each year since 2012. Thank you for all your dedication and commitment, and thank you for the countless hours that have been given by you and your volunteers each year.

Sincerely,

Paul Meyers
Superintendent, Standard School District
