THRIVE

Over the next three years, Evergreen Aviation & Space Museum desires to be a place of inspiration, where learning from the past propels deep curiosity and new knowledge resulting in an informed and engaged community where the impossible becomes possible.

EVERGREEN AVIATION & SPACE MUSEUM

Three Year Strategic Vision 2021 - 2024

INSPIRE

a community through innovation and discovery.

ELEVATE

guest, staff and volunteer interactions and experiences.

EDUCATE

youth through compelling experiences creating positive change in their community.

CONNECT

with teachers to support science learning and expand career awareness and pathways for students.

INCLUDE

Be a welcoming and accessible place for our diverse community to gather and learn.

THRIVE

by developing vibrant revenue streams to support strategic initiatives and sustainability.
