Hi, Sara-

Congratulations, Minnesota Valley Refuge Friends Meets Standards® with Charities Review Council!

Next Steps

To complete your review, [log in to your account](#) to review your online public report, complete a short evaluation survey, and sign the license agreement for using the Meets Standards® Seal.

To celebrate your success, we'll be promoting your nonprofit on social media. I encourage you to share these posts on your social media channels too, to increase the reach of your organization's great work.

Have you checked out our Diversity, Equity & Inclusion Toolkit? Take the next step on your organization's journey toward equity. [Learn more here.](#)

Meets Standards® Seal

On the license agreement page (titled "Congratulations!") in the Accountability Wizard®, you will find the Meets Standards® Seal image files, as well as a press kit, which outlines how you can use the Seal on print and web materials.

As always, if you have any questions, please feel free to reach out. Anyone on our Nonprofit Services Team would be happy to assist you. Otherwise, congratulations! We're thrilled to have you as a partner in this work.
