P.O. Box 1321 Palatka, FL 32178

Our strategy for Feed the Need of Putnam County includes building community involvement. Through social media, our monthly newsletter, and fundraising events we plan to educate and empower our community. We strive to eliminate hunger for Putnam County Students once and for all. We host teen food packing events annually and have participation of over 200 students through teen groups across Putnam County. We host an annual Fall fundraising event. We partner with businesses in our community to do different food drives based on items we need. We have a variety of sponsorship and donation options that allow us to order bulk food items. We continue to apply for all applicable grants we can find. We have teen ambassadors that spread awareness in the community. Our goal is to continue to grow and make a positive impact on our community. Our mission is to empower tomorrows future leaders by allowing them to focus on learning rather than hunger.
