Participant Reach

Our largest program, **STAR Connections** offers varied experiences to participants. STAR participants connect and engage with the community through continuing education, art, and creative expression workshops, health and wellness classes, sports leagues and many other activities.

Highlights

With safety measures in place, our monthly socials returned in October, starting with a Halloween party! We also kicked off our 2020-2021 bowling season, offering three leagues.

Two of our popular virtual classes, Improv and Musical Theatre, are offered by our partner **The Naples Players!**

Thanks to our partnership with **Special Olympics:**

- Trailblazer participants received health screenings this fall.
- Trailblazers also learned about dental hygiene through a new online class called "Eyes on Smiles."
- We introduced **Fit 5** – another new online class in which STAR participants are encouraged to have five servings of fruits, vegetables and water daily and to exercise at least five days a week.
