RE: He Opens Paths to Everyone Inc. (H.O.P.E. For All)

To Whom It May Concern:

I am providing this statement in strong support of the work and community service that H.O.P.E. For All provides in Anne Arundel County (AACO), Maryland. This nonprofit uniquely serves thousands of individuals and families in need through their Turning Houses into Homes Program which provides them with beds, clothing, and household items.

As an employee of the Light House Homeless Shelter and Prevention Support Center, H.O.P.E. For All has served as a valuable partner providing our clients with household items and furniture as they transition out of our shelter into their own homes.

In reaching out to H.O.P.E. For All, we have continued to see how each staff and volunteer caringly contributes to make sure individuals and families have what they need. Once individuals or families have stable housing and it is turned into a home, it improves their feeling of self-worth and helps them to achieve their long term goals. Through our partnership with H.O.P.E. For All, we have been able to help them feel valued, encourage them to keep going, and empower them to move forward into self-sufficiency.

Almost every day, H.O.P.E. For All continues to help individuals and families in our community, and we look forward to our continued partnership for years to come. Should you have any questions regarding H.O.P.E. For All and the partnership it has with the Light House, please feel free to contact me on (410)349-5056 or via e-mail at kmcnally@annapolislighthouse.org .

Sincerely,

Kris McNally
Director of Programs
Light House Shelter and Homeless Prevention Support Center
