

VISION	Healthier lives through effective prevention and treatment of infectious diseases.				
MISSION	The mission of NFID is to educate the public and healthcare professionals about the burden, causes, prevention, diagnosis, and treatment of infectious diseases across the lifespan.				
CORE VALUES	Collaboration	Diversity and Inclusion	Evidence-Based	Integrity	Transparency

GOALS

OUTCOMES	Evidence that NFID education leads to more effective infectious disease interventions
	Increased utilization of NFID educational resources
	Increased awareness and perceived value of NFID among key audiences and influencers
	Higher levels and increased diversity of funding
	Diversity among NFID leaders and advocates to reflect the field and populations served
