

PANAMUN XXVI

Strengthening Our Humanity

Distinguished Mr. Montari,

The International School of Panama (ISP) Secretariat would be honoured if you would join us as a committee speaker for the twenty-sixth annual session of the Panama Model United Nations (PANAMUN) conference, which will be held October 24, 25, 26 2017, and will take place on the ISP campus in Panama City, Panama.

Founded three years after the invasion that put an end to twenty years of military dictatorship in the Republic of Panama, PANAMUN is the oldest and largest Model United Nations conference in Central America. This THIMUN-affiliated conference is a product of committed global youth wishing to engage in civil society, and a timeless cradle for the nurturing of global democracy.

Your inspiring work regarding water sustainability in the Guna Yala comarca inspires the values that we wish to convey to the students that will participate in PANAMUN XXVI. Therefore, it would be the greatest honor to have you as a committee speaker for the English speaking committees of United Nations Development Program on Thursday the 25th between 8 am and 1:30 pm at your best convenience.

This year's theme is "Strengthening Our Humanity." We wanted a theme that would embody the goals and values of the United Nations, that would encourage our participants to be compassionate, accepting upstanders, taking a collaborative step forward to better our world.

We believe you could share valuable insights as a committee speaker and further emphasize the importance of addressing the most important challenges facing the world – a task that our delegates will strive to fulfill throughout the conference.

If you have any questions or comments, please do not hesitate to contact the PANAMUN XXVI Secretariat by email at secretariat@isp.edu.pa, or visit our official website at www.panamun.org. Alternatively, you can reach out to our MUN Directors Mrs. Heather Mooney at hmooney@isp.edu.pa and Ms. Aura Urroz at auroz@isp.edu.pa.

Thank you very much for your time. We eagerly await a reply regarding your availability to speak at PANAMUN XXVI on Thursday October, 25, 2018.

Best regards,

Gerardo Gomez
