To Whom It May Concern,

This is a letter of invitation to Ing **Ricardo Montanari of Footprint Possibilities Inc.** to the International School of Panama Middle School Global Goals Event. We are hosting a wide variety of local organizations that have played a role in finding creative ways to help the people and the environment in Panama. We are excited that you will be able to come present and judge for us during this event, and we appreciate you taking the time to support our students. The event is Wednesday 10/30/2019, and we will be starting promptly at 7:30 am in our Performing Arts Center.

Thank you so much!
