

INTERNATIONAL FOUNDATION FOR WORLD FREEDOM

FINANCIAL REPORT - 2018

International Foundation For World Freedom had total revenue for the year 2018 in the amount of \$568,328. The revenue was principally derived from two sources; i.e., cash donations and product donations. The amount of \$23,223, or 4%, was received in cash donations. Product contributions were valued at \$545,105 for 96% of the organization's revenue.

The vast bulk of the organization's revenue supported the refugee's programs. The organization's cash expenses in 2018 totaled \$23,223 and product distribution to qualified individuals and other charities totaled \$545,105. The cash expenses are broken down into two categories. One category is expenses to support the programs and the other category is administrative costs. To support the refugees programs the organization spent \$10,988, this amount together with the product distribution amount consist of 97.8% of organization's revenue while general administrative cost of \$12,235 were only about 2.2% of the total organization's revenue.
