WELCOME TO THE MADISON COUNTY CHARITYTRACKER NETWORK!

CharityTracker is a HIPAA-compliant, cloud-based database for shared case management used to gather and report statistical data for resource development, strategic planning, measuring outcomes, and assessments. CharityTracker can also be used to track referrals, reduce duplication of services, and provide a safe and secure platform for collaboration among community nonprofits, agencies, churches, and businesses.

Please take a moment to read the information below.

TRAINING & HELP SESSIONS:

The ELM Foundation will host CharityTracker Monthly Trainings on October 12, November 9, and December 7 from Noon-1pm in the Community Meeting Room at The ELM Foundation (7501 Memorial Parkway SW, Suite 115). Please email Beth Zinn at beth@elmhsv.org if you plan to attend.

The ELM Foundation will also host Help Sessions on October 14, November 4, and December 2 from 11am-1pm for individual CharityTracker issues. These Help Sessions are come-and-go and are intended to be problem-solving sessions, not individual training sessions. Please email Beth Zinn at beth@elmhsv.org if you plan to attend.
