more to share.

Annually, we provide a report to the community on the previous year's activities. For many of us, 2020 was a life-changing year. At SICSA, we started 2020 in celebration, with our monumental move to our new facility in Washington Township. Six weeks later, COVID hit the United States in a drastic way. We operated a bit differently in 2020 to compensate for all the changes we incurred. So really, changing up our annual report is right in line with the times. Inside is a brief statement of activities. There is SO much
