

# 2022-2024 Strategic Plan Framework

Tri-County Mental Health Services  
Vision 2024 - Strategic Plan

**BOLD VISION 2024** – Tri-County Mental Health Services is a model trauma-informed behavioral health and wellness center who bravely leads the industry through innovative partnerships and practices, offering hope and caring for our community’s needs, without barriers, for anyone at any time.

**VISION 2024:** For people to think of Tri-County Mental Health Services FIRST for all aspects of behavioral health well-being.

**MISSION:** To provide prevention and recovery-oriented mental health and substance use services which are quality assured and person-centered, with increased attention to the “whole person”.
