Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

PSC PARTNERS SEEKING A CURE
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

PSC Partners Seeking A Cure (the Organization) is a non-profit organization, incorporated under the laws of Colorado in January 2005. The mission of the PSC Partners Seeking a Cure foundation is to provide education and support to PSC patients, families and caregivers and to raise funds to research causes, treatments and potential cures for primary sclerosing cholangitis.

PSC, primary sclerosing cholangitis, is an immune-mediated disease that causes the bile ducts inside and outside the liver to become scarred, narrowed and eventually blocked. As more and more ducts are blocked, bile becomes trapped and damages the liver. The damage, if left unchecked, causes liver cell death, which leads to cirrhosis and may eventually require a liver transplant. At present, the only definitive treatment for PSC is liver transplantation. The Organization is working to find better treatments and a cure.

The Scientific/Medical Advisory Committee of the Organization annually evaluates research proposals and selects grants to promote PSC research. The PSC Partners Seeking a Cure Literature Site is a website providing information on PSC and is updated weekly to provide PSC patients, caregivers, physicians, and researchers access to information concerning PSC and allied diseases. The website includes advice and personal stories from its members, in order to offer everyday living suggestions to PSCers in addition to updates on treatments and medical research. Starting in 2005 the Organization has held annual conferences for PSC patients and caregivers at medical centers throughout the country. These conferences allow the opportunity to learn about the most recent advances in PSC treatments and research, while also allowing PSCers to share their experiences, advice, and concerns with other PSCers. In addition, the Organization publishes a free online newsletter with updates about the latest treatments, research results, and coping suggestions. The Organization also holds local forums for PSC patients and caregivers.

Basis of Presentation

The financial statements are presented on the basis of unrestricted, temporarily restricted, and permanently restricted net assets.

Cash and Cash Equivalents

The Organization considers all highly liquid debt instruments with original maturities of three months or less to be cash equivalents.

Concentration of Credit Risk

The Organization has determined that current operational cash needs will occasionally result in cash and money market account balances in excess of insured limits.

Income Taxes

No provision for income taxes has been made in the accompanying financial statements because the Organization has qualified as exempt from income tax under Section 501 (c)(3) of the Internal Revenue Code (Code) and comparable state law, and contributions to it are tax deductible within the limitations prescribed by the Code. The Organization did not have any material unrelated business income tax liability or significant uncertain tax positions for the years ended December 31, 2012 or 2011. The Organization's tax filings are subject to audit by various taxing authorities. The Organization's ending open audit periods are December 31, 2009, 2010, 2011, and 2012.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Revenue Recognition

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Donor restricted contributions whose restrictions are met in the same reporting periods are reported as unrestricted support in the statement of activities.

Contributions of services shall be recognized if the services received create or enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Advertising Costs

Advertising and promotion costs are expensed as incurred.

Equipment and Depreciation

The Organization capitalizes all expenditures in excess of \$1,000 for property and equipment at cost. Contributed property and equipment is recorded at fair value at the date of donation. Depreciation is provided over the estimated useful lives of the respective assets on a straight-line basis. Routine repairs and maintenance are expensed as incurred.

Allocation of expenses

The costs of providing the various programs and supporting activities of the Organization have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting activities benefited.

Subsequent Events

The Organization's financial statements were available to be issued on February 22, 2013, and this is the date through which subsequent events were evaluated. The Organization did not identify any subsequent events requiring disclosure.

	<u>\$ 32,587</u>	<u>\$ 9,494</u>

The fair value measurement accounting literature provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). All of the Organization's investments are valued using Level 1, which are described as inputs to the valuation methodology which are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization the ability to access.

NOTE 6 - ENDOWMENTS

The Organization does not currently possess any true endowments, or permanently restricted gift instruments. The Organization has several temporarily restricted net asset balances related to its three pillar programs; research, awareness, and education. As required by generally accepted accounting principles, net assets associated with endowment funds, including temporarily restricted net asset balances, are classified and reported based on the existence or absence of donor imposed restrictions. Changes in temporarily restricted net assets for the years ended December 31, 2012 and 2011 are reflected in the statements of activities.
