

Goals for 2022

Become Debt Free

We are restructuring our organization to operate debt free.

Complete and Launch our new App for Local Chapters

We are expecting a Beta Launch at the End of Q1 and to Launch this product by the end of Q2. This app is going to help our chapter better manage their students and provide better communication with the corporate office.

Simplification and Reorganization of the Product Line

We are streamlining our products to be easier for our students to know what they need and to help better equip our chapters.

Seek New Opportunities and New Partnerships

We are looking to partner and network with likeminded organizations to expand our influence.
