

Washington

Washington saved 1,688 more animals in 2020 than in 2019, but there is more work to be done. Best Friends works closely with local shelters, rescue groups and passionate people like you in Washington. Together, we can bring this country to no-kill by 2025.

National < WA < Spokane County < SpokAnimal

SpokAnimal

This shelter has reached the no-kill benchmark of 90% or above.

A message from this shelter: "In 2014, SpokAnimal began to focus on transferring in pets from high intake shelters, giving pets a second chance, making room at partner shelters for incoming strays, and lowering the euthanasia rates overall."

Data Year
2020

In the case of missing 2020 data, stats will reflect the most current year we have from 2018 or 2019.

A plus sign (+) indicates the number has increased. A minus (-) sign indicates the number has decreased.
