Report on Financial Statements

We have audited the accompanying financial statements of the Onslow County Partnership for Children, Inc., which comprise the Statement of Receipts, Expenditures, and Net Assets — Modified Cash Basis as of and for the year ended June 30, 2018, the related Statement of Functional Expenditures — Modified Cash Basis for the year then ended, and the related notes to the financial statements.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets of the Onslow County Partnership for Children, Inc. as of June 30, 2018, and the results of its operations for the year then ended, in accordance with the basis of accounting as described in Note 1.

Other Matters

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Report on Supplementary Information

Schedule 4 on page 22 is not a required part of the basic financial statements but is supplementary information required by the North Carolina Office of the State Auditor. In accordance with auditing standards generally accepted in the United States of America, we have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion or provide any assurance on Schedule 4.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary schedules 1, 2, and 3, which are the responsibility of management, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The accompanying schedule of Federal and State awards – Modified Cash Basis (Schedule 2) as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 7, 2019, on our consideration of the Onslow County Partnership for Children, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulation, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Onslow County Partnership for Children, Inc.'s internal control over financial reporting and compliance.

ONslow COUNTY PARTNERSHIP FOR CHILDREN, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

- A. Organization and purpose** - The Onslow County Partnership for Children, Inc. (Onslow Partnership) is a legally separate nonprofit organization incorporated on June 26, 1998. The Onslow Partnership was established to develop and provide, through public and private means, early childhood education and developmental services for children and families. The Onslow Partnership is tax-exempt as an organization described in Section 501(c)(3) of the Internal Revenue Code.
- B. Basis of presentation** - The accompanying financial statements present all funds for which the Onslow Partnership's Board of Directors is responsible. Pursuant to the provisions of Financial Accounting Standards Board's Accounting Standard for *Not-For-Profit Entities*, the accompanying financial statements present information according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by this Standard, temporarily restricted contributions received and expended in the same year are reported as unrestricted receipts rather than as temporarily restricted receipts.

Contributions that are temporarily restricted and not expended within the year received are reported as an increase in temporarily restricted net assets. When the restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Receipts, Expenditures, and Net Assets as net assets released from restrictions.

The Onslow Partnership did not have any permanently restricted net assets at June 30, 2018.

- C. Basis of accounting** - The accompanying financial statements were prepared on the modified cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America primarily because it recognizes long lived assets and other costs which benefit more than one period as expended in the year purchased; it recognizes revenue when received rather than when earned; and it recognizes expenditures when paid rather than when incurred.

However, unexpended advances to contractors that revert back to the State of North Carolina are recognized as a reduction to expenditures and an increase to net assets. In addition, amounts withheld from employee paychecks or other amounts received in an agency capacity are recorded as funds held for others. Additionally, Smart Start funds advanced to the Local Partnership that are unexpended and unearned at year end are recorded as funds Due to the State.

- D. Cash and cash equivalents** - This classification appears on the Statement of Receipts, Expenditures, and Net Assets - Modified Cash Basis and includes all demand and savings accounts and certificates of deposit and other short-term investments with an original maturity of three months or less.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

E. Funds held for others - Funds Held for (due from) others includes amounts received that are fiduciary in nature in which the Onslow Partnership acts in an agency capacity. For the year ended June 30, 2018, the Onslow Partnership was holding amounts withheld from employee paychecks for distribution to authorities as well as awaiting payments from employees for insurance premiums as follows:

American funds payable	Credit	\$	263
Retirement contribution payable	Debit		25
Health insurance payable	Debit		1,558
BCBS dental insurance	Debit		788
Pre-paid legal	Debit		78
UNUM	Credit		12
United Way	Credit		77
		\$	<u>2,097</u>

F. Property and equipment - Under the modified cash basis of accounting, purchases of property and equipment are reported as expenditures in the year incurred. However, Onslow Partnership is required by contract regulation to track and maintain property and equipment items as presented in Schedule 3 of this report. The Onslow Partnership has a policy to track purchases of property and equipment items with an individual cost of \$500 or more and an estimated useful life greater than one year. Such items are valued at their original purchase price, which may be different from their valuation as of June 30, 2018. Donated items are recorded on the property and equipment log at estimated acquisition value at the date of donation, which is defined as the price that would be paid to acquire an asset with equivalent service capacity in an orderly market transaction at the acquisition date.

G. Compensated absences - As a result of the use of the modified cash basis of accounting, liabilities related to accrued compensated absences are not recorded in the financial statements. Expenditures related to compensated absences are recorded when paid. The amount of accrued compensated absences for accumulated, unpaid leave that would be due to employees upon termination is reported as a commitment in Note 9.

H. Use of estimates - The preparation of financial statements in conformity with the modified cash basis of accounting used by the Onslow Partnership requires management to make estimates and assumptions that affect certain reported amounts and disclosures (such as allocation of joint costs); accordingly, actual results could differ from those estimates. It is management's belief that these estimates are reasonable and fair.

I. Qualifying match and contributions in-kind - Onslow Partnership, in accordance with applicable Smart Start legislation, reports qualifying match provided at the Partnership level; the qualifying match is reported in supplemental Schedule 4. The match includes cash received and expended at the Partnership level, which is included in the modified cash basis financial statements. The qualifying match reported on Schedule 4 for cash provided at the contractor level and for in-kind goods and services at both the Partnership and contractor levels is not recorded in the modified cash basis financial statements. In-kind contributions could be donated equipment, supplies, office space, or services. Onslow Partnership also benefits from donor volunteer hours which do not require specific expertise but which are nonetheless central to Onslow Partnership's operations. See supplemental Schedule 4 for more information on contributions in-kind.

NOTE 2 - DEPOSITS

All funds of the Onslow Partnership are deposited with commercial banks and insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 (per bank).

Deposits over insured amounts subject the Onslow Partnership to a concentration of credit risk. At June 30, 2018, the Onslow Partnership's bank deposits in excess of the FDIC insured limit was \$8,649.

NOTE 3 - FUNDING FROM GRANT AWARDS AND CONTRACTS

Smart Start Program - One of the Onslow Partnership's major source of revenue and support is from the State of North Carolina based on cost-reimbursement contracts with The North Carolina Partnership for Children, Inc. (NCPC) for the Smart Start program. A significant reduction in the level of funding from the State could have an adverse effect on the operations of the Onslow Partnership and represents a concentration of credit risk as to the generation of revenue.

Associated with these contracts, the Onslow Partnership is responsible for developing a comprehensive, collaborative, long-range plan of services to children and families for the service-delivery area.

The Onslow Partnership was awarded and has received \$4,100,667 under a current year Smart Start contract with NCPC. The unexpended balance of this contract is subject to reversion to the State. Note 1: Basis of Presentation

The accompanying schedule of expenditures of Federal and State awards (SEFSA) includes the federal and State grant activity of the Partnership under the programs of the federal government and the State of North Carolina for the year ended June 30, 2018. The information in this SEFSA is presented in accordance with the requirements of Title 2 US Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and the State Single Audit Implementation Act. Because the Schedule presents only a selected portion of the operations of the Partnership, it is not intended to and does not present the financial position, changes in net position or cash flows of the Partnership.

Note 2: Summary of Significant Accounting Policies

Expenditures reported in the SEFSA are reported on the modified cash basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 3: Indirect Cost Rate

The Partnership has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Note: This schedule is presented in accordance with the program match requirement as provided for by North Carolina Session Law 2017-57, Section 11B.8.(d). The match is comprised of both cash and in-kind amounts. Only in-kind contributions that are verifiable, quantifiable, and related to the Smart Start Program can be applied to the in-kind match requirement, including volunteer services. This schedule identifies those amounts allowable for this partnership in meeting the statewide match requirement.

The amounts shown above as allowable for this partnership in meeting its match requirement do not include allowable amounts included in the North Carolina Families Accessing Services through Technology (NCFAST) system, as this information is currently available only on a State level for FYE 30 Jun 18. For FYE 30 Jun 18 Smart Start met the legislative statewide match requirement and will be waiving penalties for local partnerships that do not meet their match requirement for FYE 30 Jun 18.

Independent Auditor's Report on Internal Control Over Financial Reporting
And on Compliance and Other Matters Based on an Audit
Of Financial Statements Performed in Accordance with
Government Auditing Standards

Board of Directors
Onslow County Partnership for Children, Inc.
Jacksonville, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the accompanying financial statements of Onslow County Partnership for Children, Inc., as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise Onslow County Partnership for Children, Inc.'s basic financial statements, and have issued our report thereon dated March 7, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Onslow County Partnership for Children, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Onslow County Partnership for Children Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Onslow County Partnership for Children Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Onslow County Partnership for Children, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major
Federal Program and Internal Control Over Compliance Required
by the Uniform Guidance

Board of Directors
Onslow County Partnership for Children, Inc.
Jacksonville, North Carolina

Report on Compliance for Each Major Federal Program

We have audited Onslow County Partnership for Children, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement*, that could have a direct and material effect on each of the Onslow County Partnership for Children, Inc.'s major federal programs for the year ended June 30, 2018. The Onslow County Partnership for Children, Inc.'s major federal programs are identified in the summary of the accompanying schedule of findings and question costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Onslow County Partnership for Children, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Onslow County Partnership for Children, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Onslow County Partnership for Children, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, the Onslow County Partnership for Children, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

Report on Internal Control Over Compliance

Management of the Onslow County Partnership for Children, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Onslow County Partnership for Children, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Onslow County Partnership for Children, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
