

Vision

Georgia's communities are the most vibrant in the country.

Mission

To make Georgia the national leader in creating opportunities for a quality education, stable employment, and healthy family life.

SUCCESS SEQUENCE GOALS	BREAKTHROUGH PROCESS		
	R&D <i>We conduct research to gain an understanding of what's happening, needed, and working.</i>	Advocacy <i>We work with gov't officials to remove legal barriers to opportunity.</i>	Delivery <i>We work with local leaders to leverage community-based assets & remove local barriers to opportunity.</i>
Education <i>Increase the percentage of students graduating from high school prepared for work and/or college</i>		Education Savings Accounts (ESA's)+ Special needs program expansion+	Hiring Well, Doing Good (HWDG) Apprenticeships
Employment <i>Increase the workforce-participation rate among prime-age adults</i>	Welfare Reform # Jobs Portal# Civil asset forfeiture+ Apprenticeships* Occupational licensing*	Welfare Reform # Occupational Licensing Reform* Civil asset forfeiture+ Expungement*	Hiring Well, Doing Good (HWDG)# Jobs Portal# Apprenticeships*
Family Formation <i>Increase the percentage of kids being raised in stable, married, two-parent homes</i>	Welfare Reform# HFI Program Assessments*	Welfare reform#	Healthy Families Initiative (HFI)#

1. **BOLD:** Core initiatives. (Currently, we do not have a core educational initiative.)
2. # Denotes **heavy** investment of time and dollars.
3. + Denotes **moderate** investment of time and dollars.
4. * Denotes **nominal** investment of time and dollars.
5. Effects of revenue shortfall: a) haven't expanded HWDG to additional cities; b) HWDG product development has been hampered/slowed; c) some research has been postponed; d) HFI hasn't been able to hire two additional trainers; e) grant requirement deadlines have been extended.
