INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
The News Literacy Project, Inc.
Washington, D.C.

We have audited the accompanying financial statements of The News Literacy Project, Inc. (The NLP), which comprise the statement of financial position as of December 31, 2016, and the related statements of activities and change in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The NLP as of December 31, 2016, and the change in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

Organization -

The News Literacy Project, Inc. (The NLP) is a non-profit organization, incorporated in the State of Maryland. The NLP is a non-partisan national education non-profit that works with educators and journalists to teach middle school and high school students how to sort fact from fiction in the digital age. The NLP provides these students with the essential skills they need to become smart, active consumers of news and information and engaged, informed citizens.

Basis of presentation -

The accompanying financial statements are presented on the accrual basis of accounting, and in accordance with FASB ASC 958, *Not-for-Profit Entities*.

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with The NLP's financial statements for the year ended December 31, 2015, from which the summarized information was derived.

Cash and cash equivalents -

The NLP considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Bank deposit accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to a limit of \$250,000. At times during the year, The NLP maintains cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

Grants and other receivables -

Grants and other receivables approximate fair value. Management considers all amounts to be fully collectible within one year. Accordingly, an allowance for doubtful accounts has not been established.

Capital assets -

Costs incurred for the development and implementation of the website and software in excess of \$1,000 are capitalized and stated at cost. Capital assets are amortized on a straight-line basis over five to twenty years. Costs incurred for the ongoing maintenance of the existing website and software are expensed as incurred. The capitalization and ongoing assessment of recoverability of development costs incurred require considerable judgment by management with respect to certain external factors, including, but not limited to, technological and economic feasibility and estimated economic life. Amortization expense for the year ended December 31, 2016 totaled \$58,653.

Intangible asset -

The NLP has adopted Financial Accounting Standards Board (FASB) issued FASB ASC 350-35-6, *Goodwill and Other Intangible Assets*. In connection with the adoption of this standard, The NLP's trademark shall be amortized on a straight-line basis for ten years. There was no impairment noted for the year ended December 31, 2016. As of December 31, 2016, the balance of their trademark was \$10,666.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION**
(Continued)

Income taxes -

The NLP is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements. The NLP is not a private foundation.

Uncertain tax positions -

For the year ended December 31, 2016, The NLP has documented its consideration of FASB ASC 740-10, *Income Taxes*, that provides guidance for reporting uncertainty in income taxes and has determined that no material uncertain tax positions qualify for either recognition or disclosure in the financial statements.

Net asset classification -

The net assets are reported in two self-balancing groups as follows:

- **Unrestricted net assets** include unrestricted revenue and contributions received without donor-imposed restrictions. These net assets are available for the operation of The NLP and include both internally designated and undesignated resources.
- **Temporarily restricted net assets** include revenue and contributions subject to donor-imposed stipulations that will be met by the actions of The NLP and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities and Change in Net Assets as net assets released from restrictions.

Grants and contributions -

Unrestricted and temporarily restricted contributions and grants are recorded as revenue in the year notification is received from the donor. Temporarily restricted contributions and grants are recognized as unrestricted support only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions. Such funds in excess of expenses incurred are shown as temporarily restricted net assets in the accompanying financial statements.

Contributed services -

Contributed services consist of donated services in support of its programs and recorded at their fair market value as of the date of the service. Donated services are recognized as contributions if the services (a) create or enhance non-financial assets or (b) require specialized skills that would otherwise be purchased by The NLP.

Use of estimates -

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION**
(Continued)

Advertising -

The NLP expenses advertising costs as incurred. Advertising expense was \$2,184 for the year ended December 31, 2016.

Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities and Change in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Reclassification -

Certain amounts in the prior year's financial statements have been reclassified to conform to the current year's presentation. These reclassifications had no effect on the previously reported changes in net assets.

New accounting pronouncement not yet adopted -

In August 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities* (Topic 958), intended to improve financial reporting for not-for-profit entities. The ASU will reduce the current three classes of net assets into two: with and without donor restrictions. The change in each of the classes of net assets must be reported on the Statement of Activities and Change in Net Assets. The ASU also requires various enhanced disclosures around topics such as board designations, liquidity, functional classification of expenses, investment expenses, donor restrictions, and underwater endowments. The ASU is effective for years beginning after December 15, 2017. Early adoption is permitted. The ASU should be applied on a retrospective basis in the year the ASU is first applied. While the ASU will change the presentation of The NLP's financial statements, it is not expected to alter The NLP's reported financial position.

2. **TEMPORARILY RESTRICTED NET ASSETS**

Temporarily restricted net assets consisted of the following at December 31, 2016:

Program Services	\$ <u>675,930</u>
-------------------------	--------------------------

The following temporarily restricted net assets were released from donor restrictions by incurring expenses (or through the passage of time) which satisfied the restricted purposes specified by the donors:

Program Services	\$ <u>704,432</u>
-------------------------	--------------------------

3. **CONTRIBUTED SERVICES**

During the year ended December 31, 2016, The NLP was the beneficiary of donated services, which allowed The NLP to provide greater resources toward various programs.

3. CONTRIBUTED SERVICES (Continued)

The following donations have been included in revenue and expense for the year ended December 31, 2016.

Journalists and editorial services	\$ 142,075
Legal services	49,671
Event space	<u>10,125</u>
	<u>\$ 201,871</u>

4. OCCUPANCY

The NLP leases office space in Chicago under a one-year agreement, expiring on March 31, 2017. The lease agreement was not renewed and the security deposit totaling \$1,200 was reimbursed to The NLP.

On July, 2017, The NLP entered into a six-month agreement to lease office space in the District of Columbia, effective September 1, 2017. Upon the ending date, or any extension thereof, the lease agreement will be automatically renewed and extended for an additional period of six months. Monthly base rent for the lease agreement is \$3,200.

The following is a schedule of the future minimum lease payments:

Year Ending December 31,

2017	\$ 15,125
2018	<u>6,400</u>
	<u>\$ 21,525</u>

Rent expense for the year ended December 31, 2016 totaled \$11,138.

5. RETIREMENT PLAN

The NLP has a retirement plan (the Plan) under IRS Section 401(k) of the Internal Revenue Code. Participation in the Plan is available to all employees who have completed 90 days of service and have attained the age of twenty-one. The NLP may elect to make a voluntary year-end contribution to the retirement accounts of eligible employees. During the year ended December 31, 2016, The NLP contributed 3% of each employee's salary earned from the date of eligibility. Contributions to the Plan during the year ended December 31, 2016 totaled \$43,481.

6. SUBSEQUENT EVENTS

In preparing these financial statements, The NLP has evaluated events and transactions for potential recognition or disclosure through August 28, 2017, the date the financial statements were issued.
