

Core Programs

- **Transformational Leadership Retreats:** Cultivating youth and adult leaders across society that serve others and mature in a redemptive worldview.
- **Life and Financial Stewardship:** Equipping farmers, local businesses, households, and churches with a stewardship framework to better manage their life.
- **Entrepreneurship & Innovation:** Cultivating and equipping entrepreneurs to innovate and build enterprises that better society.
- **Biblical Youth Camps and Sports:** Equipping disadvantaged communities with ability to provide youth with transformational experiences that change their life trajectory.
- **Community Development:** Accelerating local development priorities with improvements to water, education, and infrastructure.
- **Healthy Church Initiative:** Training, resourcing, and connecting rural church leaders for effective ministry.

2022-2027 Growth Plan

- **Deepen Impact: 2022 - 2023**
Further invest in the programs delivering best results, while investing in the people, processes and systems to ensure a healthy and viable organization to sustain growth.
- **Broaden Impact: 2024 - 2025**
Responsibly expand proven impact model to new countries and new industries as opportunities allow, leveraging both current programs while creating new programs and partnerships that accelerate our mission.
- **Scale and Influence: 2026 +**
Scale our model across the world through a vast partnership network, while using our influence to strategically advance creative restoration through major systems including the marketplace, government, and academia.
