Overarching Priorities

We will prioritize partnerships in Metro Detroit and Israel in all impact areas.

We prioritize learning – of many types and by all parties – in all our partnerships across all impact areas.
Arts & Culture
Overall Arts & Culture Impact Area Vision:

**Proposed:** *To provide children and youth in need with enrichment, exposure, and instruction in arts and culture.*
The Foundation’s work will lead to more:
1. Children and youth pursuing opportunities in arts and culture.
2. Vibrant opportunities of arts and culture exposure and enrichment in neighborhoods.
We support organizations that:
• Offer arts and culture exposure, enrichment, and instruction to children and youth.

Successful grants will lead to:
• More children and youth participating in arts and culture programming and
• More children and youth indicating more interest in arts and culture.

Children and youth pursuing opportunities in arts and culture.
We support organizations that:
• Offer arts and culture exposure, enrichment, and instruction to children and youth.

Successful grants will lead to:
• Increased attendance at arts and culture events
• Increased number of neighborhood arts and culture events

Arts and culture exposure and enrichment opportunities offered and attended in neighborhoods.
