Overarching Priorities

We will prioritize partnerships in Metro Detroit and Israel in all impact areas.

We prioritize learning – of many types and by all parties – in all our partnerships across all impact areas.
Jewish
Overall Jewish Impact Area Vision:

*We envision a future in which the ongoing vitality, success, and well-being of the Jewish People is ensured.*
The Foundation’s work will lead to more:

1. Jews feeling a lifelong connection to their Jewish identity, Israel, and other Jews throughout the world.
2. Children and families having a greater connection to **tzedakah** (justice) and tikkun olam (to repair the world).
3. Jewish youth in need being empowered to achieve their goals leading to personal success.

*Language for the second long-term impact has been updated since the last Board meeting. Originally “social justice” was in parentheses next to tzedakah. This has now been changed to “justice.” Additionally, a link to an article on the [Learning To Give Website](https://www.learningtogive.org) further explaining the concept will be hyperlinked when the word tzedakah appears online.*
