

## INDEPENDENT AUDITORS' REPORT

The Board of Directors  
Growing Together Preschool, Inc.  
Lexington, Kentucky

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Growing Together Preschool, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Growing Together Preschool, Inc. as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

***Supplementary Information***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of operating expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated August 11, 2015, on our consideration of Growing Together Preschool, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Growing Together Preschool, Inc.'s internal control over financial reporting and compliance.

**GROWING TOGETHER PRESCHOOL, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2014 and 2013**

---

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Growing Together Preschool, Inc. (the School) is a non-profit corporation organized to provide preschool and day care services for children, including handicapped and underprivileged children. The school receives third-party reimbursements from the State of Kentucky, for the tuition for these children. These reimbursements represent approximately 10% of the tuition collected.

The financial statements of the Growing Together Preschool, Inc. have been prepared on the accrual basis of accounting. The following significant accounting policies are described to enhance the usefulness of the financial statements to the reader.

**Financial Statement Presentation**

The School is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. In addition, the School is required to present a statement of cash flows.

The School is required to report its investments at fair market value. Gains and losses on investments are reported as changes in unrestricted net assets unless a donor's explicit stipulation or law extends a donor's endowment restriction to the income from the gift. The school had no investments under its control at December 31, 2014 and 2013.

**Contributions**

The School reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activity as net assets released from restrictions.

The School reports gifts of land, building, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Contributions of donated noncash assets are recorded at their fair values in the period received.

Contributions of donated services that create or enhance nonfinancial assets, or which require specialized skills and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

**Unrestricted Net Assets**

These assets generally result from revenues generated by providing services, receiving unrestricted contributions and receiving dividends and interest in income-producing assets, less expenses incurred in providing services, raising contributions and performing administrative functions. The only limits on unrestricted net assets are the broad limits resulting from the nature of the organization, the environment in which it operates and the purposes specified in its articles of incorporation.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Temporarily Restricted Net Assets**

These assets result from receiving contributions that may be expended only for specific purposes or in specific future periods.

The School was awarded an endowment grant from Bluegrass Community Foundation, Inc. The Foundation has authority and control over the grant until release of the funds to the School. No date is specified as to when the funds will be released and are therefore considered temporarily restricted.

**Permanently Restricted Net Assets**

These assets represent funds that are permanently restricted by the donor with income and appreciation available to support the general operations of the School. The School had no permanently restricted net assets at December 31, 2014 and 2013.

**Cash and Cash Equivalents**

Cash and cash equivalents includes cash on hand, cash in banks, funds in overnight repurchase agreements, and all highly liquid investments with an initial maturity of three months or less at the time of purchase.

**Property, Equipment and Depreciation**

Depreciation of buildings and equipment is provided over the estimated useful lives of the respective assets on a straight-line basis. Buildings are depreciated over 40 years and equipment and other assets are depreciated over 5-10 years. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the School reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor.

**Deferred Revenue**

The School defines deferred revenue as tuition fees received in advance of the performed services.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Donated Materials and Services**

The estimated fair market value of donated materials and services has been reflected in the accompanying financial statements as contributions with a like amount included in the respective expenses.

**Advertising**

The School expenses advertising costs as they are incurred. Advertising expense for the years ended December 31, 2014 and 2013, totaled \$4,433 and \$9,781, respectively.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH GOVERNMENT AUDITING STANDARDS**

The Board of Directors  
Growing Together Preschool, Inc.  
Lexington, Kentucky

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Growing Together Preschool, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated August 11, 2015.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Growing Together Preschool, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Growing Together Preschool, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Growing Together Preschool, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH GOVERNMENT AUDITING STANDARDS  
(CONTINUED)**

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Growing Together Preschool, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with ***Government Auditing Standards*** in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
