

**February 9, 2022**

On behalf of the Simpsonville Recreation Department and the City of Simpsonville I would like to thank the MB6 Foundation and CEO Shaun Blake for the continued support of our programs and the kids who participate. The funds and support allow those who might not otherwise be able to register to enjoy being part of a team and all the life lessons that go along with it by providing scholarship support. In 2021 the MB6 Spring and Fall season donations allowed over 25 young people to utilize scholarship program funding to participate in one or more of our athletic programs.

We support Mr. Blake, the MB6 Foundation and their continued efforts to support the youth of the Golden Strip and to honor the memory of Michael Blake.

Thank you,

A handwritten signature in black ink, appearing to read "Chad Foster", written over a horizontal line.

Chad Foster,  
Athletic Director
