

Dear Reader,

Attached you will find the Developmental Disabilities Resource Center (DDRC) Financial Statement Audit for the fiscal year ended June 30, 2015. DDRC is required to have an annual financial statement audit conducted by an independent certified public accountant. Their audit is conducted in accordance with auditing standards generally accepted in the United States of America as established by Auditing Standards Board of the American Institute of Certified Public Accountants.

In fiscal year 2014 and 2015, a few one-time transactions occurred that had significant effect on the financial statements. In May of 2014, the Board of Directors decided to pay-off \$2.5 million of debt related to outstanding tax exempt bonds. The pay-off of the bonds saved DDRC approximately \$50 thousand annually in recurring operating costs.

In April of 2015, DDRC sold one of its facilities it had owned since 1971. The facility was fully depreciated and resulted in a \$900 thousand dollar gain. In addition, in April of 2015 DDRC received a significant unrestricted donation, from the estate of a parent of an individual who received services from DDRC, in the amount of \$384 thousand dollars.

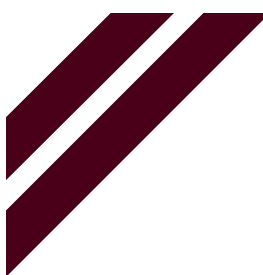

In general, non-profit accounting can be a very complicated subject. With the occurrence of the transactions noted above, it can be complex to evaluate their impact. If during your review of DDRC's audited financial statements there are questions please feel free to contact myself for additional clarification.

The audit has been reviewed by the Executive and Finance Committee of DDRC with a partner of Logan, Thomas & Johnson LLC, our independent certified public accounting firm.

In the interest of disclosure to the public, DDRC has voluntarily chosen to post our audit on our website.

Sincerely,

Robert DeHerrera, CPA, CGMA

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Developmental Disabilities Resource Center

We have audited the accompanying consolidated financial statements of Developmental Disabilities Resource Center and Affiliates (jointly, the Center), which comprise the consolidated statement of financial position as of June 30, 2015, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America as established by the Auditing Standards Board of the American Institute of Certified Public Accountants. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Developmental Disabilities Resource Center and Affiliates
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
June 30, 2015

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This description of Developmental Disabilities Resource Center and Affiliates' (the Center) nature of activities and summary of significant accounting policies is presented to assist in understanding the Center's consolidated financial statements.

1. *Summary of Business Activities*

Developmental Disabilities Resource Center, f.k.a. Jefferson County Community Center for Developmental Disabilities, Inc., a Colorado nonprofit corporation, was incorporated under the laws of the State of Colorado in 1964 for the purpose of providing a community center board to coordinate programs through interagency cooperation and local agencies to provide services to persons with developmental disabilities in Jefferson, Clear Creek, Summit and Gilpin Counties. The Center's revenue comes primarily from the State of Colorado for services provided and from mill levy revenue from Jefferson County.

2. *Principles of Consolidation*

The consolidated financial statements of Developmental Disabilities Resource Center include its affiliates, Jefferson County Community Center Housing Corporation (HUD I), a Colorado nonprofit corporation, and Jefferson County Community Center Housing Corporation II (HUD II), a Colorado nonprofit corporation. Significant intercompany accounts and transactions have been eliminated.

3. *Description of Services Provided*

The major program services or supports and functional activities directly provided or purchased by the organization are:

Program Services or Supports

Comprehensive (Medicaid) refers to residential services, adult day services or supports and transportation activities as specified in the eligible person's Service Plan (SP). Included are a number of different types of residential settings, which provide an array of training, learning, experiential and support activities provided in residential living alternatives designed to meet individual needs. Additionally, adult day services provide opportunities for individuals to experience and actively participate in valued roles in the community. These services and supports enable individuals to access and participate in typical community activities such as work, recreation, and senior citizen activities. Finally, transportation activities refer to "Home to Day Program transportation" services relevant to an individual's work schedule as specified in the SP. For these purposes, "work schedule" is defined broadly to include adult and retirement activities such as education, training, community integration and employment.

3. *Description of Services Provided (Continued)*

Program Services or Supports (Continued)

Adult Supported Living (State and Medicaid) provides individualized living services for persons who are responsible for their own living arrangements in the community.

Children's Extensive Support is a deeming waiver (only the child's income is considered in determining eligibility) intended to provide needed services and supports to eligible children under the age of 18 years in order for the children to remain in or return to the family home. Waiver services are targeted to children having extensive support needs which require constant line-of-sight supervision due to significantly challenging behaviors and/or coexisting medical conditions. Available services include personal care, home modification, specialized medical equipment and supplies, professional services, community connections and respite.

Early Intervention is for children from birth through age two which offer infants and toddlers and their families services and supports to enhance child development in the areas of cognition, speech, communication, physical, motor, vision, hearing, social-emotional development, and self help skills; parent-child or family interaction; and early identification, screening and assessment services.

Family Support provides an array of supportive services to the person with a developmental disability and his/her family when the person remains within the family home, thereby preventing or delaying the need for out-of-home placement, which is unwanted by the person or the family.

Case Management is the determination of eligibility for services and supports, service and support coordination, and the monitoring of all services and supports delivered pursuant to the SP, and the evaluation of results identified in the SP.

Other Program Services include services provided under a number of different grants, as well as the operation of the Margaret Walter and Robert Weiland Centers.

Supporting Services

Management and General includes those activities necessary for planning, coordination and overall direction of the Center, financial administration, general board activities and other related activities indispensable to the Center's corporate existence.

3. *Description of Services Provided (Continued)*

Supporting Services (Continued)

Development helps diversify the resources available to the Center and to people with developmental disabilities by writing grants, encouraging contributions, supporting fund-raising efforts, recruiting and managing volunteers, and building a variety of opportunities through connections in the communities.

4. *Basis of Accounting*

Financial statements of the Center have been prepared on the accrual basis, whereby revenues are recorded when services are performed and expenses are recognized when incurred.

5. *Use of Estimates*

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues, support and expenses during the reporting period. Actual results could differ from those estimates.

6. *Subsequent Events*

The Center has evaluated events and transactions occurring subsequent to the end of the fiscal year for potential recognition or disclosure through December 23, 2015, the date on which the financial statements were issued. Other than the transaction disclosed in Note B, the Center did not identify any events or transactions that would have a material impact on the financial statements.

7. *Cash and Cash Equivalents and Restricted Cash*

For purposes of the statement of cash flows, the Center considers cash to be cash on hand and cash on deposit, subject to immediate withdrawal, and considers cash equivalents to be money market funds, and certificates of deposit with an original maturity of three months or less. Restricted cash represents monies held for individuals receiving the Center's services. These monies are required to be held in a separate account and specifically titled as monies held for individuals enrolled in the Center's Comprehensive Program.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE A – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

7. *Cash and Cash Equivalents and Restricted Cash (Continued)*

The Center maintains some of its cash balances in several different financial institutions located in the Denver, Colorado metropolitan area, which at times, may exceed federally insured limits. The Center has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

8. *Accounts Receivable*

The majority of the Center's accounts receivable are due from the State of Colorado. Accounts receivable are due according to contractual terms and are stated at the amounts management expects to collect from outstanding balances. The Center determines its allowance for uncollectible receivables by considering a number of factors, including the length of time accounts receivable are past due and the Center's previous collection history. The Center writes off accounts receivable to bad debt expense when they become uncollectible. Payments subsequently received on such receivables, if any, are recorded as other revenue.

9. *Certificates of Deposit*

Certificates of deposit consist of four individual certificates with interest rates between 0.09% and 0.40% and maturity dates between September 2015 and June 2016.

Certificates of deposit – designated for letter of credit contingencies consist of two individual certificates (Note I), with interest rates of 0.41% and 0.40% and maturity dates of August 2016 and June 2016, respectively.

The Center maintains its certificates of deposit in two different financial institutions located in the Denver, Colorado metropolitan area, which at times, may exceed federally insured limits. The Center has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on certificates of deposit.

10. *Land, Buildings and Equipment and Assets Held for Sale*

Land, buildings and equipment and assets held for sale are reported at cost for purchased assets and estimated fair value, at the date of receipt, for contributed property. Buildings and equipment items are capitalized if the cost or estimated fair value exceeds \$5,000. Depreciation and amortization are provided on the straight-line method over the following estimated useful lives:

Buildings and improvements	10 – 40

Transportation equipment	3 – 10

11. *Accounting for Contributions*

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods, or are restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. Unconditional promises to give, which do not state a due date, are presumed to be time-restricted by the donor until received and are reported as temporarily restricted net assets.

A donor restriction expires when a stipulated time restriction ends, when an unconditional promise with an implied time restriction is collected, or when a purpose restriction is accomplished. Upon expiration, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the statement of activities as net assets released from restrictions. Permanently restricted net assets include the principal amount of contributions accepted with the stipulation from the donor that the principal be maintained in perpetuity, and only the income from investment thereof be expended for either general purposes or a purpose specified by the donor.

12. *In-kind Contributions*

Contributions of property, materials and personal services are known as in-kind contributions and are recorded at estimated fair value at the date of receipt. The amount recorded for these contributions (other than contributions of land, buildings and equipment) is also included as program costs to properly reflect the total cost of the particular program.

13. *Income Taxes*

The Center is operated as a nonprofit organization exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Center recognizes tax liabilities when, despite the Center's belief that its tax return positions are supportable, the Center believes that certain positions may not be fully sustained upon review by tax authorities.

POLICIES (CONTINUED)

13. *Income Taxes (Continued)*

Benefits from tax positions are measured at the largest amount of benefit that is greater than fifty percent likely of being realized upon settlement. The Center has concluded there is no tax liability or benefit required to be recorded as of June 30, 2015. The Center is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. The Center believes it is no longer subject to income tax examinations for the years prior to the year ended June 30, 2012.

14. *Prior Year Summarized Information*

The consolidated financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Center's consolidated financial statements for the year ended June 30, 2014, from which the summarized information was derived.
