Financial Statements

December 31, 2015

(with comparative financial information  
as of and for the year ended December 31, 2014)

(With Independent Auditors' Report Thereon)

**KPMG LLP**  
345 Park Avenue  
New York, NY 10154-0102

## **Independent Auditors' Report**

The Board of Directors  
Charity Global, Inc.:

We have audited the accompanying financial statements of Charity Global, Inc., which comprise the statement of financial position as of December 31, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Charity Global, Inc. as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

### **Report on Summarized Comparative Information**

We have previously audited Charity Global, Inc.'s 2014 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated May 13, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2014 is consistent, in all material respects, with the audited financial statements from which it has been derived.

### **Other Matters**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information in Schedule 1, charity: water 100% Model, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

## Notes to Financial Statements

December 31, 2015

(with comparative financial information  
as of and for the year ended December 31, 2014)

### (1) Organization and Purpose

Charity Global, Inc. (hereinafter referred to as charity: water) is a nonprofit organization stimulating greater global awareness about extreme poverty issues, educating the public, and provoking compassionate and intelligent giving. charity: water is exempt from U.S. federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

charity: water provides clean, safe drinking water, hygiene and basic sanitation to people in developing countries. Since 2006, charity: water has funded more than 19,000 water projects in 24 countries through innovative programs and technologies that include drilled wells, hand-dug wells, rehabilitations, spring protections, rainwater catchments, and BioSand filters. When complete, these projects can serve more than 6 million people.

### (2) Summary of Significant Accounting Policies

#### (a) Basis of Presentation

charity: water's financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Net assets and the changes therein are classified and reported as follows:

Unrestricted – Net assets that are not subject to donor-imposed restrictions.

Management designates funding received for operations as unrestricted (excluding temporarily restricted balances relating to three-year promises to give as discussed below). Operations is defined as all charity: water staff and operating expenses including national and international travel, banking and credit card fees, promotion, events, and headquarter costs.

Temporarily Restricted – Net assets subject to donor-imposed restrictions that will either be met by actions of charity: water or the passage of time. The four categories of temporarily restricted net assets are as follows:

- Three-year promises to give – funding for charity: water's operating expenses are classified as temporarily restricted net assets due to a time restriction placed on the receipt of funds by the donor.
- Water Projects – restricted in full for water project costs in the field, including repairs and maintenance.
- Special award remote monitoring – restricted for further advancing transparency and sustainability in the water sector by piloting a remote sensor technology and response program.
- Disaster relief – restricted in full to rapid onset, emergency response to major events that adversely affect human health and lives. Funding for activities includes, but is not limited to, water provision, shelter, nonfood items, hygiene and sanitation.

# CHARITY GLOBAL, INC.

## Notes to Financial Statements

December 31, 2015

(with comparative financial information  
as of and for the year ended December 31, 2014)

Contributions are reported as increases in temporarily restricted net assets, Water Projects, unless the donor explicitly states that the funds should be used for charity: water operations. Expenses are reported as decreases in unrestricted net assets. Expirations of temporary restrictions on net assets are reported as net assets released from restriction in the accompanying statement of activities.

**(b) *Accounting Estimates***

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of the financial statements, and revenues and expenses recognized during the reporting period. Significant estimates made in the preparation of the financial statements include the net realizable value of contributions receivable and functional expense allocations. Actual results could differ from those estimates.

**(c) *Allocation of Functional Expenses***

The cost of providing charity: water programs, management and general, and development services has been summarized on a functional basis in the accompanying statement of activities. Directly identifiable expenses are charged to their applicable functional category. Certain costs have been allocated in reasonable ratios as determined by management.

Expenses charged to programs, management and general, and development, other than those due to established partner organizations, exclude all funds raised publicly for water projects.

**(d) *Cash and Cash Equivalents***

Cash and cash equivalents consist of demand deposits and all highly liquid investments with original maturities of three months or less when purchased, except for those amounts held by charity: water's investment managers as part of a long-term strategy.

**(e) *Short-Term Investments***

Short-term investments consist of certificates of deposit, equities and other fixed income instruments. For financial reporting purposes, charity: water considers all investments that are intended to be used in the next twelve months to be short-term. Short-term investments are stated at fair value.

**(f) *Long-Term Investments***

Long-term investments consist of money market and mutual funds, equities and corporate bonds. For financial reporting purposes, charity: water considers long-term investments to be assets intended to be held beyond one year from the statement of financial position date. Long-term investments are stated at fair value, and it is the goal of management to achieve a total rate of return that exceeds the rate of inflation.

## CHARITY GLOBAL, INC.

### Notes to Financial Statements

December 31, 2015

(with comparative financial information  
as of and for the year ended December 31, 2014)

**(g) Contributions Receivable**

Contributions are recorded as revenue upon receipt of cash or unconditional promise to give (pledge). Contributions received are recorded as increases in unrestricted or temporarily restricted net assets, depending on the existence and/or nature of any donor-imposed restrictions.

Unconditional promises to give (pledges), which are expected to be collected within one year, are recorded at their net realizable value. Unconditional pledges that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discount on those amounts is computed using a risk-adjusted interest rate applicable to the year in which the promise is made.

Management evaluates contributions receivable for the purpose of establishing an allowance for doubtful accounts. Management applies an estimate based on known economic conditions, historical trends, and knowledge of the specific donors promising to give. It is charity: water's policy to write-off contributions receivable as soon as pledges are deemed to be uncollectible.

**(h) Fixed Assets**

Fixed assets consist of furniture, fixtures, software, equipment and leasehold improvements. Fixed assets are stated at cost less accumulated depreciation and are depreciated over their estimated useful life using the straight-line method.

**(i) Water Project Funding**

Except for funds raised for specific emergency needs, charity: water invests 100% of publicly raised funds in water projects through established partner organizations experienced in providing various water solutions. All partner organizations are researched by management, and all funding is carefully considered and approved by the board of directors.

Expense is recognized when approved by the board of directors and communicated to the respective partner. Liabilities are reported at net realizable value at the time the promise is made. All commitments are expected to be paid within eighteen months.

It is the policy of management to assign all foreign currency exposure to partner organizations, as the U.S. dollar is charity: water's functional currency for investments in water projects.

**(j) Fair Value Measurements**

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that a reporting entity has the ability to access at the measurement date.

**CHARITY GLOBAL, INC.**

Notes to Financial Statements

December 31, 2015

(with comparative financial information  
as of and for the year ended December 31, 2014)

- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

**(k) Donated Services and Use of Facilities**

Donated services are recognized if the services create or enhance nonfinancial assets or require specialized skills, are performed by individuals who possess those skills, and would otherwise need to be purchased by the organization.

charity: water also receives a significant amount of donated services from unpaid volunteers who assist in various program and supporting services. No amounts have been recognized in the statement of activities for these services because the criteria for recognition under generally accepted accounting principles have not been satisfied.

The value of donated facilities is calculated based on the estimated fair rental value of the space used. The fair rental value is the amount that would be charged for similar space that is rented under similar terms. Since the free use of facilities is not promised for any specified period of time, charity: water recognizes the revenue and related expense for the period it occupies the space.

**(l) Income Taxes**

charity: water recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Income generated from activities unrelated to charity: water's exempt purpose is subject to tax under Internal Revenue Code Section 511. charity: water did not recognize any unrelated business income tax liability for the years ended December 31, 2015 and 2014.

**(m) Retirement Plan**

charity: water offers a 401(k) retirement plan. The plan is available to all personnel after six months of service to the organization. charity: water makes contributions based on a prescribed matching schedule of employee contributions. Basic employee contributions up to 5% of compensation are eligible for a matching contribution by charity: water. Matching contributions are deposited in the plan each payroll period based on the following formula:

- 100% of the basic employee contribution up to the first 3% of compensation
- 50% of the basic employee contribution up to the next 2% of compensation

401(k) expense related to matching contributions for 2015 and 2014 was \$141,842 and \$124,256, respectively.

Notes to Financial Statements

December 31, 2015

(with comparative financial information  
as of and for the year ended December 31, 2014)

**(n) Comparative Financial Information**

The statement of activities is presented with prior year financial information in total, which does not include net asset class detail. In addition, the statement of functional expenses is presented with prior year financial information in total, which does not include functional expense detail. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. generally accepted accounting principles. Accordingly, such information should be read in conjunction with charity: water's 2014 financial statements, from which the summarized information was derived.

**(o) Reclassifications**

Certain reclassifications of 2014 amounts have been made to conform to the 2015 presentation.

**(3) Investments**

The following table presents charity: water's fair value hierarchy for investments as of December 31, 2015:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>
Certificates of deposit	\$ 3,318,908	3,318,908	—

### Notes to Financial Statements

December 31, 2015

(with comparative financial information  
as of and for the year ended December 31, 2014)

#### (7) Contributions

charity: water's operating costs are underwritten by private donors, companies, and foundations that support the organization through unrestricted donations and gifts in-kind.

##### (a) *Water Projects*

100% of the money raised through charity: water's public fundraising campaigns is restricted to directly fund water projects in developing countries. In 2015, charity: water invested \$24,926,769 in water projects, water project repairs and maintenance and remote monitoring in 13 countries – Bangladesh, Cambodia, Central African Republic, Ethiopia, India, Kenya, Malawi, Mali, Mozambique, Nepal, Liberia, Rwanda, and Uganda. When completed, these projects can serve over 800,000 people with clean, safe drinking water.

charity: water hosted a gala raising \$2,262,310 and \$1,559,957, inclusive of ticket sales, in 2015 and 2014, respectively. 100% of the money raised at the annual gala benefited water projects.

##### (b) *Remote Monitoring*

In 2012, charity: water was a recipient of a Google Global Impact Award® of \$5 million to pilot remote sensors on 4,000 charity: water projects over a period of 27 months ended December 2014. charity: water obtained notice from the Google Foundation® that extended the period of performance through June 2016. This award will help charity: water further advance transparency and sustainability in the water sector by using innovative technology to provide data on whether water is flowing at charity: water-funded projects, at any given time, anywhere in the world. The pilot will also include the establishment and training of local mechanic programs to dispatch to communities within their reach when repairs are needed or system breakdowns occur.

Google Foundation® restricted approximately \$4 million to be used as follows:

- Develop, install, and maintain the remote sensor technology
- Mobilize local mechanics to respond to data
- Water project maintenance and repairs

The amount was recorded as temporarily restricted contribution revenue in the 2012 financial statements and is being released from restrictions when related expenses are incurred. charity: water incurred approximately \$645,000 of related expenses in 2015. Additionally, charity: water obtained notice from the Google Foundation® to release \$368,964 from temporarily restricted net assets to use to finance the operational costs of the remote sensor pilot.

The remaining \$1 million was recorded as unrestricted contribution revenue in the 2012 financial statements and designated by charity: water to be used to finance the staff and operations required to implement and manage the remote sensor pilot. charity: water incurred approximately \$349,000 of related expenses in 2015.
