GIFT FORM
for Tribute or Memorial

Since 1938, four generations of the McCutcheon Family, owners of McCutcheon's Apple Products, Inc., have maintained and refined recipes and processes to preserve Frederick County's finest fruits. Similarly, since 1986, the Community Foundation has preserved the charitable dreams of those who wish to make a real difference in the lives of others.

For many years, McCutcheon's has generously contributed its products to the Community Foundation for donations made in honor or memory of a loved one. If you make one of these special contributions of $100 or more to any Community Foundation fund, you have the unique opportunity to have the Community Foundation send a colorful gift package of two jars of McCutcheon's famous fruit products to that person or their family member as an acknowledgment of your generosity in their name.

Choosing a McCutcheon's Gift Package from the Community Foundation continues the tradition of preserving all that is good and meaningful in acts of giving, and we thank the McCutcheon Family for their commitment to the Frederick County community. How To Start Your Own Fund

The generous citizens of Frederick County are creating new funds every day. You can, too. All you really need is the desire to make a lasting difference in the lives of those around you.

What are your goals? Do you want to make your gift now, or establish your fund with a planned gift? Do you want to provide grants and/or scholarships now or after your passing? Either way, establishing a fund with the Community Foundation is a wonderful way to sustain a cause that is near and dear to you, support specific areas of education, honor loved ones or establish a legacy. Once you’ve decided on your goals, the Community Foundation staff can help you determine the type of fund that will ensure your charitable goals are met.

Next, determine a suitable name for the fund. There are many ways to name a fund. Many funds include the donor’s name, or name(s) of those being honored by the fund. Some fund names reference the specific cause or organization they benefit.

ABOVE / Leadership at Trinity United Methodist Church (UMC) in Frederick established The Trinity United Methodist Church Sustaining Fund to support the activities and mission of the church, and establish long-term stability. Through the fund, many projects important to the church will come to fruition, which will have positive impact in the community.
What type of gift would you like to use to start the fund? While many funds are started with gifts of cash totaling $25,000 or more, non-cash gifts such as real estate, securities or life insurance are also options. For gifts of $500,000 or more, you may recommend an investment professional outside of the Community Foundation’s investment pool, pending certain criteria. Your financial advisor can help you determine what type of gift to use, and the Community Foundation encourages you to consult with him or her prior to making your gift.

How involved do you want to be with the fund? Do you want to review grant applications? Do you want to sit on a scholarship selection committee? Do you want the comfort of knowing that a check is sent automatically to your favorite cause each year? Do you want your family to be involved with the fund after your passing? Your intended involvement helps to determine the type of fund that you choose.

If you’d like to contribute less than $25,000, don’t worry. You can “plant a seed” by starting a fund and becoming a member of the Acorn Society. Simply select a name for the fund and agree to grow the fund to at least $25,000 within two years or less. Once your fund reaches $25,000, disbursements can be made. Other ways to create impact include contributing to a field of interest fund or any of our other funds, or establishing your legacy by deciding on a planned gift. No matter how and how much you decide to contribute, the Community Foundation makes the act of giving easy.

Types of Funds
The Community Foundation of Frederick County holds two categories of funds: permanent funds and pass through funds. Permanent funds generally never spend the initial gift and subsequent gifts, with a portion of the fund supporting the charitable purpose defined by the fund’s founding donor. Permanent funds include endowed funds and quasi-endowed funds. Endowed funds distribute net income plus appreciation annually, not to exceed 5 percent of the June 30 market value and never invading gift principal. Quasi-endowed funds distribute 5 percent of the fund’s June 30 market value each year. Pass through funds may distribute all gifts as well as the investment return for the charitable purpose. Permanent funds and pass through funds may be any of the following types of funds: designated, unrestricted, donor-advised, scholarship, field of interest, agency, or fiscal agency. For more information about types of funds, please see page 76.
Property You Can Use to Create Your Fund

Some people have asked if the Community Foundation accepts only cash contributions. The answer is no. There are many ways to establish a fund. Some ideas you may wish to consider are listed here.

**Cash** You may establish your fund by giving a check to the Community Foundation. You receive the maximum tax deduction for your contribution in the year you make it. Any unused deduction can ordinarily be used over the five succeeding years.

**Securities** You may donate securities to your fund. You get the maximum tax deduction, equal to the current value of the securities. If that deduction is larger than what you can use in the year of your gift, the excess amount may ordinarily be deducted over the five succeeding years.

If the securities are appreciated, you pay no capital gains tax. If you own depreciated securities, it may be best if you sell them, take the loss for personal income tax purposes, and contribute the proceeds to the Community Foundation.

**Real Estate** Your real estate holdings can also benefit charity. Gifts of long-term appreciated real estate offer advantages similar to gifts of appreciated securities. Real estate will be accepted by the Community Foundation if it is readily saleable and does not require long-term management. You are required to obtain an appraisal to establish the value of the real estate for your tax deduction.

**Life Insurance** You may donate your life insurance policy to your fund. You receive an immediate tax deduction, usually in an amount equal to the cash surrender value. If you wish to keep the policy in force, your continued premium payments are tax deductible if the Community Foundation is the owner of the policy.

If you don’t want to give up the policy, you can name the Community Foundation as a full or partial beneficiary.

**Art and Other Tangible Personal Property** You may use your paintings, sculptures, jewelry, etc. to establish a charitable fund as long as the property can be sold easily. You will be responsible for obtaining an appraisal to establish the value of the personal property for your tax deduction.

You can start a named fund for as little as $25,000 – using cash, securities, real estate, life insurance, art, or other assets.

*ABOVE* Wanting to give back to their community, Dr. and Mrs. Arthur Anderson established The Arthur O. and Julane P. Anderson Scholarship Fund to assist non-traditional students – those who have delayed enrolling in post-secondary education or who are returning to school after a time away – pursuing careers in health sciences. *RIGHT* The Garrett R. Petronchak Memorial Fund, established in Garrett’s memory after his life was taken in an alcohol related car accident, provided a grant to the Police Science Program at Frederick Community College. The fund supports grants for programs relating to the enforcement of underage drinking laws and scholarships to graduating high school seniors who participate in activities related to substance abuse prevention and education.
Some Examples of Ways You Can Establish or Expand Your Fund

Outright Gift During Your Lifetime An outright gift is the simplest of all gifts to make and can be made now. It provides the greatest and most immediate support. The most common way to make an outright gift is a gift of cash, which can be used to establish your own fund, or can be added to an existing fund. In addition to a gift of cash, outright gifts can be in the form of publicly-traded securities or by transferring other assets directly to the Community Foundation.

Bequest Perhaps you are making decisions on a new will. You have taken care of all the usual details, assigned sentimental possessions, and provided for relatives. You can stipulate that all remaining assets go to create your fund or to add to an existing fund, possibly significantly reducing the taxes payable by your estate. Your fund will support community needs in your name permanently.

Or, you simply write a codicil (amendment) to your existing will. You state that in addition to or instead of certain provisions of that will, you would like to leave the remaining assets, or a specific dollar amount, to the Community Foundation for whatever purpose you determine. Your lawyer can assist you in making this change. The Community Foundation also has suggested language for making provisions in your will.

Life Income (Charitable Remainder) Trust You may have achieved a fairly comfortable accumulation of assets, but would like an income for yourself, your spouse, or other beneficiaries for the rest of your lives. Ultimately you want charity to benefit from your estate. You can establish a charitable remainder trust that pays you and/or your designees for your lifetimes, with the remainder of the trust going to your fund. You receive a substantial income tax deduction and estate taxes will be reduced upon your death. If you prefer, you can establish a charitable remainder trust in your will, providing a life income for surviving beneficiaries. Because of the charitable estate tax deduction, the surviving beneficiaries may receive a larger income than would otherwise be possible.

There are two types of charitable remainder trusts:

Annuity Trust – a fixed income trust from which you or your beneficiaries will receive a set amount each year.

Unitrust – a variable income trust from which you or your beneficiaries will receive a percentage of the trust’s assets. Changes in the asset value of the trust will affect the level of your income each year.

The minimum amount recommended for a charitable remainder trust is $100,000.

Charitable Lead Trust You may have provided for your children already or you may want to provide for your children in the future, but not now. With a charitable lead trust, you donate part of your estate to the trust now, and the income goes to your fund for a designated period of years. Your taxes are reduced and the property is not taxed to your children. After a period of time that you specify, the trust terminates and the assets go to your children. The charity benefits during all those years and your children may receive much more than they would have otherwise.
Gifts from an Estate or Trust As the Personal Representative under a will, you are directed to allocate a certain amount of money for general charitable purposes. Some professional guidance may be helpful to you.

You may set up a fund within the Community Foundation in the name of the deceased. With the approval of the court, if necessary, you arrange to have the charitable portion of the estate paid to this fund. The Community Foundation would then assume the responsibility of carrying out the deceased’s charitable interests.

Assignment of Trust Fund Income You may be the beneficiary of a trust which pays you a regular income. Even though you may give some of this income to charity, you may not receive maximum tax benefits.

If you assign to your fund a portion of this annual income for the benefit of charity, you pay no further tax on this income. In addition, you may take an immediate income tax deduction for the value of this assignment. If this deduction is more than you can use in the year of the assignment, the excess may ordinarily be deducted over the five succeeding years.

Corporate Funds Perhaps you are an executive in a business or corporation, responsible in part for corporate giving. How do you sift through the blizzard of charitable appeals?

You can establish a fund with the Community Foundation, either in the name of the corporation or an anonymous name. The Community Foundation then distributes the gift for you, relieving you of this burden.

Transfer Your Foundation’s Assets If you are a trustee of a private foundation, you may establish a fund within the Community Foundation in the name of the private foundation. After arranging to transfer all or part of the assets of the foundation to the fund, the Community Foundation takes care of all the paperwork required by the government. Investments are handled by experienced people. Taxes are no longer imposed, and the amount available for charity is increased. You are secure in knowing that the fund will be administered permanently by the Community Foundation.

Transfer A Charitable Organization’s Assets Perhaps you are on the board of directors of a charitable organization which is terminating. You may create a fund within the Community Foundation in the name of your organization. You liquidate the assets in accordance with all laws and IRS regulations and transfer them to the fund, specifying that the income will be used only for grants in a similar field of interest. The mission of your organization is thereby continued in perpetuity.

At A Glance

Establish a new fund with the minimum gift of $25,000. If your gift is less than $25,000, you may make the gift to an existing fund or become an Acorn Society Member.

- Decide whether to make your gift now or later
- Name the fund
- Select the gift to be given
- Determine the type and purpose of the fund
- Take advantage of the Community Foundation’s “$500,000 policy” to recommend an investment professional outside of the Community Foundation’s investment pool
- Decide on life income interest (if any)

Consult your professional advisor. The Community Foundation staff can provide details about each gift type, but does not give legal or tax advice. You are urged to consult with your attorney, banker, accountant, or financial planner before making a gift or establishing a fund.

FUND PERFORMANCE

Well-managed charitable funds benefit our community now and in perpetuity. Donors start funds with a minimum gift of $25,000 to benefit the causes that they choose. These funds are then invested, with a portion of the funds spent each year according to the spending policies that the donors choose at the time the funds are established.

Professional investment managers invest the Community Foundation’s assets in accordance with the Community Foundation’s investment policies. Investment performance is monitored and overseen by the Investment Committee, comprised of Community Foundation trustees and others with investment expertise. The Community Foundation’s financial statements, including investments, contributions, and future interests, are audited annually by an independent auditor and are available for public review.

INVESTMENT OPTIONS

IN THE BALANCED INCOME OPTION

IN THE MAINTENANCE OF PRINCIPAL OPTION

Preservation of principal is this option’s only objective. This portfolio is held in money market accounts and certificates of deposit.
